1. Introduction

This manual provides detailed instructions for assembling, operating, and maintaining your HOGOKIDS 3-in-1 Girls Camper Van Building Set. This versatile building set allows for the construction of three distinct models: a campervan, a summer shop, or a food truck. Designed to foster creativity and develop fine motor skills, this set offers an engaging building experience for children aged 6 and up.

The image above displays the primary campervan configuration along with visual representations of the alternative summer shop and food truck models that can be constructed from the same set of building blocks. This highlights the 3-in-1 functionality of the product.

2. Setup and Assembly

The HOGOKIDS 3-in-1 Building Set comes with 494 pieces and a comprehensive full-color instruction manual to guide the assembly process. Please follow the steps outlined in the included manual carefully for each of the three possible models.

2.1 Unpacking and Preparation

- Open the product packaging and carefully remove all building blocks and the instruction manual.
- Sort the building blocks by color and shape to facilitate easier assembly.
- Ensure all 494 pieces are present by cross-referencing with the parts list in the instruction manual.

2.2 Building the Models

Refer to the dedicated instruction booklet for step-by-step guidance on constructing the campervan, summer shop,

or food truck. Each model has its own detailed assembly sequence.

This image illustrates a child engaged in the assembly process, demonstrating the hands-on nature of building the set. The instruction manual is visible, emphasizing its role in guiding construction.

3. Operating and Play

Once assembled, the HOGOKIDS 3-in-1 Building Set offers multiple play scenarios, encouraging imaginative and creative play.

3.1 Campervan Adventures

The campervan model features an opening side panel to reveal an interior with seating, a kitchen area, and a bed. A yellow slide extends from the top level, and various accessories like a barbecue grill and swimming ring enhance the camping experience.

This image shows the campervan model in a beach setting, highlighting its various play features and accessories, such as the barbecue and sun loungers.

3.2 Summer Shop Fun

Transform the campervan into a vibrant summer shop, complete with a small pool and outdoor seating. This configuration allows for role-playing scenarios involving a seaside business.

3.3 Food Truck Service

Reconfigure the blocks to create a food truck, equipped with a serving counter and kitchen details. This model supports imaginative play centered around culinary adventures.

Detailed views of the set's interior, showcasing the kitchen with a sink and stove, and the living area with furniture, illustrating the intricate design and play possibilities.

3.4 Interactive Elements

- **Movable Parts:** The campervan features opening doors and a retractable side panel.
- **Accessories:** Utilize the included miniature accessories such as a barbecue grill, slide, swimming ring, and various food items to enhance play.
- **Stickers:** Apply the provided stickers to customize and add detail to your chosen model.

4. Maintenance

Proper care and maintenance will ensure the longevity of your HOGOKIDS building set.

4.1 Cleaning Instructions

- To clean the building blocks, wipe them with a soft, damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.

- Do not submerge the blocks in water for extended periods.

4.2 Storage

- Store the building blocks in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- Keep all pieces together in the original box or a designated storage container to prevent loss.

The building set is constructed from high-quality, non-toxic ABS material, designed for durability and safety.

5. Troubleshooting

This section addresses common issues you might encounter during assembly or play.

5.1 Missing Pieces

If you find that pieces are missing from your set, please:

- Double-check all packaging materials and the surrounding area. Small pieces can sometimes be overlooked.
- Refer to the parts list in your instruction manual to confirm which specific pieces are missing.
- Contact HOGOKIDS customer support for assistance with replacement parts.

5.2 Blocks Not Staying Together

If blocks are not connecting securely or models are falling apart:

- Ensure that the blocks are correctly aligned and fully pressed together.
- Verify that you are using the correct pieces as indicated in the instruction manual for each step.
- Check for any debris or foreign objects that might be preventing a secure connection between studs and tubes.
