2. SETUP INSTRUCTIONS

1. **Assemble the Base:** Place the white balance tower platform onto its sturdy white base. Ensure it is stable and can rock freely.
2. **Prepare the Blocks:** Unpack all 32 colorful balancing blocks. These come in various Tetris-like shapes.
3. **Prepare the Cards:** Shuffle the 48 game command cards and place them face down near the game area.
4. **Initial Placement:** Players can decide on an initial block placement strategy or start with an empty tower.

3. OPERATING INSTRUCTIONS (HOW TO PLAY)

The objective of the Tetra Balancing Stacking Tower game is to place blocks on the rocking platform without causing the tower to collapse. Players take turns adding blocks, carefully considering weight distribution and balance.

Gameplay Modes:

- **Basic Mode (1+ Players):**
 - a. Players take turns drawing a game command card.
 - b. Each card will display a specific block shape. The player must select a block of that shape from the available pieces.
 - c. Carefully place the selected block onto the balance tower platform. The goal is to maintain the tower's balance.
 - d. If the tower remains stable, the turn passes to the next player.

e. The player who causes the tower to collapse loses the round.

- **Advanced Mode / Team Play (2+ Players):**

Utilize the command cards for additional challenges:

- Some cards may instruct players to reverse the order of play.
- Other cards might require drawing multiple blocks or performing specific stacking maneuvers.
- Players can also create their own rules for team-building or increased difficulty.

- **Solo Play / Free Build:**

Practice your stacking skills by building the tallest or most complex tower possible without using cards, focusing solely on balance and creativity.

4. MAINTENANCE AND CARE

To ensure the longevity and hygiene of your Tetra Balancing Stacking Tower Toys, follow these simple maintenance guidelines:

- **Cleaning:** The blocks and base are made from E-co friendly ABS materials. Wipe them clean with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive cleaners.
- **Drying:** Ensure all components are completely dry before storing to prevent damage.
- **Storage:** Store all blocks, cards, and the base in the provided handy storage bag when not in use. Keep in a cool, dry place away from direct sunlight.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discontinue use if any parts are broken or pose a safety risk.

5. TROUBLESHOOTING

If you encounter any issues while playing, consider the following:

- **Tower Constantly Collapsing:**
 - Ensure the base is on a flat, stable surface.
 - Review block placement techniques; try distributing weight more evenly.
 - For younger players, consider starting with fewer blocks or practicing without cards to build confidence.
- **Missing Pieces:**

- Carefully check the packaging and play area.
- If accessories are genuinely missing from the package, please contact the Amazon seller for assistance.
