# DEFENTAC USB Magnetic Charging Cable Instruction Manual

Model: DF-6162

## 1. Introduction

This manual provides instructions for the safe and effective use of your DEFENTAC USB Magnetic Charging Cable. This cable is designed to provide convenient magnetic charging for compatible tactical products.

Please read this manual thoroughly before using the product and retain it for future reference.

## 2. Package Contents

Verify that all items listed below are present in your package:

- 1 x DEFENTAC USB Magnetic Charging Cable (approximately 20cm)
- 1 x Hex Key/Wrench (for laser adjustment)
- 1 x Screw (extra)
- 1 x Screw Hex Wrench

Figure 2.1: Contents of the package, including the magnetic charging cable and tools.

## 3. Compatibility

This DEFENTAC USB Magnetic Charging Cable is specifically designed for use with DEFENTAC products and similar devices that feature a magnetic charging port. It is compatible with:

- Votatu Rechargeable Products
- DARKFANG Rechargeable Products
- Solofish Rechargeable Products
- Toughsoul Rechargeable Products
- CRONHAWK Rechargeable Products
- Defentac Rechargeable Products

**Important:** Ensure your device is listed above or explicitly states compatibility with DEFENTAC magnetic charging cables to ensure proper function and prevent damage.

## 4. Setup and Connection

1. **Prepare Power Source:** Connect the USB Type-A end of the charging cable to a compatible USB power source. This can be a USB wall adapter, a car charger, a laptop USB port, or a power bank. Ensure the power source provides a stable 5V output.
2. **Connect to Device:** Locate the magnetic charging port on your compatible tactical product. Align the magnetic end of the DEFENTAC charging cable with the device's charging port. The magnets will automatically attract and secure the connection.
3. **Verify Connection:** Once connected, ensure the cable is firmly attached and that the device indicates it is charging (e.g., an indicator light on the device).

Figure 4.1: The magnetic charging cable connected to a tactical product, illustrating various compatible USB power sources.

## 5. Operating Instructions (Charging)

The DEFENTAC USB Magnetic Charging Cable is designed for simple and efficient charging:

- **Magnetic Connection:** The magnetic design ensures a secure and easy connection to your device. Simply bring the magnetic connector close to the charging port, and it will snap into place.
- **Charging Indication:** The charging status is typically indicated by your tactical product itself (e.g., an LED light

changing color or blinking). Refer to your device's manual for specific charging indicators.

- **Power Sources:** The cable can be powered by any standard USB Type-A port, including those found on computers, wall adapters, car chargers, and portable power banks.

## 6. Maintenance

To ensure the longevity and optimal performance of your charging cable, follow these maintenance guidelines:

- **Keep Clean:** Regularly wipe the magnetic contacts on both the cable and your device with a dry, soft cloth to remove dust or debris. Avoid using liquids or abrasive cleaners.
- **Avoid Damage:** Do not bend the cable sharply or subject it to excessive pulling force, especially near the connectors. Store the cable neatly when not in use to prevent tangling and damage.
- **Storage:** Store the cable in a cool, dry place away from direct sunlight and extreme temperatures.

## 7. Troubleshooting

If you encounter issues with your charging cable, refer to the following common problems and solutions:

| Problem | Possible Cause | Solution |
|---|---|---|
| Device is not charging. | • Loose connection.<br>• Incompatible device.<br>• Faulty power source.<br>• Dirty magnetic contacts.<br>• Damaged cable. | • Ensure the magnetic connector is firmly attached to the device.<br>• Verify your device is listed as compatible (refer to Section 3).<br>• Try a different USB power source (e.g., another wall adapter, a different USB port).<br>• Clean the magnetic contacts on both the cable and device with a dry cloth.<br>• Inspect the cable for visible damage. If damaged, discontinue use and replace. |
| Magnetic connection feels weak or repels. | • Incorrect orientation.<br>• Debris on contacts. | • Ensure the magnetic connector is aligned correctly with the device's port. The magnets should attract, not repel.<br>• Clean the magnetic contacts on both the cable and device. |

## 8. Specifications

| Feature | Detail |
|---|---|
| Brand | DEFENTAC |
| Model Name | DF-6162-CA |

| Feature | Detail |
|---|---|
| Item Model Number | DF-6162 |
| Connector Type | USB Type A (Input) |
| Cable Type | USB |
| Special Feature | Lightweight, Magnetic Charging |
| Maximum Voltage | 5 Volts |
| Cable Length | Approximately 20 cm |
| Color | Black |
| Number of Pins | 4 |
| Item Weight | Approximately 11 Grams (0.388 ounces) |

## 9. Warranty and Support

Specific warranty information for this product is not provided in this manual. For details regarding warranty coverage, returns, or technical support, please refer to the documentation included with your purchase or contact DEFENTAC customer service directly through their official website or the retailer where the product was purchased.

## Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
