

LLS Full Size House Bed with Fence

LLS Full Size House Bed with Fence Instruction Manual

Model: Full Size House Bed with Fence (Natural)

SAFETY INFORMATION

Important safety guidelines for proper use of your LLS House Bed:

- Always use a box spring with this bed frame to ensure stability. Follow the assembly instructions carefully to prevent instability or collapse.
- The bed is made from premium pine wood, ensuring lasting sturdiness and durability.
- Constructed with a firmly secured structure, providing strong stability and ensuring the safety of your child while they rest and play.
- The integrated fence and roof frame are designed to enhance stability and safety.
- The low-height floor bed design allows for easy access and provides greater safety for children.

PRODUCT OVERVIEW

Key features and design elements of your LLS House Bed:

- **House Roof Design:** The bed frame is designed with a charming house shape, serving not only as a comfortable sleeping area but also as an indoor playhouse for imaginative activities.
- **Floor Bed with Fence:** Features a protective fence and roof frame that provide stability and safety. This design supports a mattress placed directly on the floor, creating a cozy and secure sleeping space.
- **No Weight Limit:** The robust floor design allows for an unlimited weight capacity, ensuring durability and safety. A recommended mattress thickness of 6 inches is ideal.

ASSEMBLY INSTRUCTIONS

This bed frame requires assembly. Please follow these steps carefully for a secure and stable structure.

Before You Begin

- Verify all parts are present against the included hardware list.
- Ensure you have the necessary tools, such as an Allen wrench (usually provided).
- Assemble the bed on a soft, clean surface to prevent scratches or damage to the wood.

Step-by-Step Assembly

Stack of natural pine wood planks, illustrating the material quality.

1. Unpack all components and identify them against the provided parts list.
2. Attach the side rails to the headboard and footboard using the designated hardware.
3. Secure the fence panels to the bed frame, ensuring they are properly aligned.
4. Assemble the roof structure by connecting the roof beams at the designated points.
5. Ensure all screws and bolts are tightened securely. Do not overtighten.

USAGE AND CARE

Daily Use

The LLS House Bed is designed for both comfortable sleeping and imaginative play:

- Ensure the mattress is properly seated within the frame.
- Avoid excessive force or jumping on the bed to maintain structural integrity.
- The roof structure can be decorated with lightweight items like fairy lights or fabric to personalize the space.

Cleaning and Maintenance

- Wipe the wooden surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- Regularly check all screws and bolts for tightness and re-tighten if necessary to ensure stability.
- Keep the bed away from direct sunlight and excessive moisture to prevent wood damage or discoloration.

TROUBLESHOOTING

Refer to the table below for common issues and their solutions:

Issue	Solution
Bed frame feels wobbly.	Check all assembly hardware. Ensure every screw and bolt is securely tightened.
Missing parts during assembly.	Refer to the parts list in your manual. Contact customer support with the specific part number for assistance.
Squeaking noises.	Re-tighten all connections. Apply a small amount of lubricant (e.g., paraffin wax) to joints if necessary.

SPECIFICATIONS

Feature	Detail
Size	Full
Product Dimensions	77.5"L x 57"W x 74.5"H
Color	Natural
Finish Type	Stained
Material	Wood (Pine)
Assembly Required	Yes
Item Weight	55.1 pounds
Recommended Mattress Thickness	6 inches
