2. SETUP GUIDE

2.1 Charging the Stylus Pen

The UOGIC Stylus Pen features USB-C fast charging. A full charge takes approximately 40 minutes and provides up to 10 hours of continuous use.

1. Connect the included USB-C cable to the charging port on the stylus pen.

2. Connect the other end of the USB-C cable to a compatible USB power adapter (not included) or a USB port on your computer.
3. The indicator light on the pen will show the charging status. Refer to the 'Indicator Light Meaning' section for details.

2.2 Powering On/Off

- **To Power On:** Simply tap the top of the stylus pen. The indicator light will turn green.
- **To Power Off:** Hold down the top of the stylus pen for a few seconds until the indicator light turns off. The pen will also automatically power off after 1 hour of inactivity to conserve energy.

2.3 Bluetooth Pairing (for Battery Display & Shortcuts)

To utilize the battery level display on your iPad and access convenient shortcut functions, pair the stylus pen via Bluetooth:

1. Ensure your iPad's Bluetooth is enabled.
2. Power on the UOGIC Stylus Pen. The indicator light will flash blue, indicating it's in pairing mode.
3. On your iPad, go to **Settings > Bluetooth**.
4. Look for
