

Aoodor B0CCNZLD8S

Aoodor 60" L x 15" W x 17" H Galvanized Raised Garden Bed Instruction Manual

Model: B0CCNZLD8S

INTRODUCTION

Thank you for choosing the Aoodor Galvanized Raised Garden Bed. This manual provides essential information for the safe assembly, operation, and maintenance of your new garden bed. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

This raised garden bed features a unique half-moon design, constructed from durable galvanized steel with a beige finish. It is designed for outdoor use to cultivate vegetables, flowers, and herbs, offering an optimal environment for plant growth.

SAFETY INFORMATION

- Always wear appropriate safety gear, such as gloves, during assembly to protect your hands from sharp edges.
- The product includes heavy-duty rubber edging designed to cover sharp edges, enhancing safety for users and plants. Ensure this edging is properly installed.
- Assemble the garden bed on a flat, stable surface to prevent tipping or instability.
- Keep small children and pets away from the assembly area to prevent injury.
- Do not overload the garden bed with excessive soil or materials beyond its structural capacity.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

Image: Product dimensions and included components.

- Corner Panel: 2 pieces
- Panel: 5 pieces
- Screw, Nut, and Washer: 46 sets
- Rubber Edging: 1 piece
- Outside Corner: 2 pieces

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward and typically takes 15-20 minutes. No specialized construction knowledge is required.

1. **Step 1: Unpack Components**

Open the package and carefully remove all accessories and panels. Lay them out to ensure all parts are accounted for.

Image: Unpacked components.

2. Step 2: Remove Protective Film

Tear off the protective film from all panels before assembly. This film protects the galvanized steel during shipping.

Image: Removing protective film.

3. Step 3: Assemble Curved Panels

Begin assembling the curved panels using the provided screws, nuts, and washers. Align the holes and secure the connections loosely at first.

Image: Assembling curved panels.

4. Step 4: Tighten Nuts and Bolts

Once all panels are in place, ensure each nut and bolt is securely tightened for reinforcement and stability of the raised garden bed. Hand-tightening is sufficient.

Image: Tightening nuts and bolts.

5. Step 5: Install Safety Rubber Edging

Push the safety rubber edging onto the top rolled steel edge of the assembled garden bed. Trim any excess length for a neat finish. This step is crucial for safety.

Image: Installing safety rubber edging.

Placement and Filling

Choose a suitable outdoor location for your raised garden bed. The half-moon design allows it to be placed against a wall or used as a standalone feature. Fill the bed with appropriate soil and compost for your chosen plants.

Drainage System

The Aoodor raised garden bed features an open-bottom design. This allows for direct drainage into the ground, preventing waterlogging and promoting healthy root development. This design is particularly beneficial in rainy areas or with poorly draining native soils, as it reduces the risk of root rot.

Image: Open-ended base design for optimal drainage and root health.

Planting

Once filled with soil, you can begin planting your desired vegetables, flowers, or herbs. The elevated height of the bed makes gardening more accessible and reduces strain.

MAINTENANCE

The Aoodor Galvanized Raised Garden Bed is designed for minimal maintenance due to its premium materials.

- **Material Durability:** Constructed from galvanized steel with a zinc coating, the bed is inherently rust-resistant and durable, suitable for various outdoor conditions.

Durable & Sturdy

Aluzinc steel is the perfect material for outdoor use, with heat and corrosion resistance.

Image: Durable Aluzinc steel construction.

- **Cleaning:** Periodically wipe down the exterior with a damp cloth to remove dirt or debris. Avoid abrasive cleaners that could damage the finish.
- **Edging Inspection:** Regularly check the rubber edging for any signs of wear or displacement to ensure it remains securely in place and continues to provide safety.

TROUBLESHOOTING

This section addresses common issues you might encounter with your raised garden bed.

- **Issue: Instability after assembly.**

Solution: Ensure all screws, nuts, and washers are fully tightened. Verify the garden bed is placed on a level surface.

- **Issue: Water pooling in the bed.**

Solution: The open-bottom design should prevent water pooling. Check if the ground beneath the bed is compacted or has poor drainage. Consider adding a layer of gravel at the bottom of the bed before adding

soil to improve drainage if the underlying soil is very heavy clay.

- **Issue: Sharp edges exposed.**

Solution: Re-check the installation of the rubber edging along the top rim. Ensure it is fully seated and covers all exposed metal edges.

SPECIFICATIONS

Brand	Aoodor
Model Number	B0CCNZLD8S
Material	Galvanized Steel
Color	Beige
Product Dimensions (L x W x H)	60" x 15" x 17" (5 x 1.25 x 1.4 Ft)
Shape	Half Moon / Oval
Special Features	Rust Resistant, Safe Edge, Weather Resistant
Indoor/Outdoor Usage	Outdoor
Mounting Type	Floor Standing
Item Weight	25 pounds
UPC	642135950845

WARRANTY AND SUPPORT

Specific warranty details for the Aoodor Galvanized Raised Garden Bed are not provided in the product information. For warranty inquiries or customer support, please refer to the retailer where the product was purchased or visit the official Aoodor website for contact information.
