- **Mattress Placement:** Place your twin-sized mattress directly onto the wooden slats. Ensure the mattress is centered and fits securely within the frame.
- **Storage Drawers:** The two capacious drawers are equipped with wheels for easy access. Pull them out smoothly to store clothes, bedding, toys, or other items. Push them back gently to keep your room tidy.
- **Footboard Bench:** The integrated footboard bench provides a convenient seating area or a place to

temporarily set items. Ensure items placed on the bench do not exceed its structural capacity.

- **Hardware Check:** Periodically check all bolts, screws, and connections to ensure they are tight. Re-tighten if necessary to maintain stability.
- **Drawer Care:** Keep the drawer tracks clean and free of debris to ensure smooth operation.
- **Avoid Excessive Moisture:** Protect the bed frame from prolonged exposure to moisture or direct sunlight to prevent warping or fading.
