2. SAFETY INFORMATION

Please read all instructions carefully before using the Remington Balder Pro Head Shaver. Adhere to the following safety guidelines:

- Use with caution to avoid cuts.
- Clean the shaver regularly to maintain hygiene and performance.
- Avoid using the shaver while it is charging.
- Do not immerse the charging adapter in water.

3. WHAT'S INCLUDED

Your Remington Balder Pro Head Shaver bundle includes:

- Remington Balder Pro Head Shaver (main unit)
- 1 x Balder Pro Head Rotary Shaver Head Replacement Assembly
- Charging Cable
- Cleaning Brush

4. SETUP

4.1 Initial Charging

Before first use, fully charge your Remington Balder Pro Head Shaver. The shaver is equipped with a Lithium battery, providing up to 50 minutes of cordless runtime on a full charge. Connect the charging cable to the shaver and plug it into a suitable power outlet. The charging indicator lights will provide feedback on the battery status.

4.2 Attaching the Shaver Head

Ensure the shaver head is securely attached to the main unit. Align the head with the body and press firmly until it clicks into place. To remove, gently pull the head away from the body.

5. OPERATING INSTRUCTIONS

5.1 Shaving Your Head

The Balder Pro Head Shaver features 5 dual track heads for a fast and close shave. It is designed for multidirectional pivot, flex, and contour, ensuring maximum skin contact for a smooth result.

1. Ensure your shaver is charged.

2. Press the power button to turn on the shaver.
3. Gently press the shaver against your scalp and move it in circular motions. The flexible heads will adapt to the contours of your head.
4. For optimal results, shave against the grain of your hair.
5. The shaver is 100% waterproof, allowing for comfortable wet or dry shaving, with or without gel/cream.

6. MAINTENANCE AND CLEANING

Regular cleaning ensures optimal performance and extends the life of your shaver.

6.1 Cleaning the Hair Capture Chamber

The shaver is designed with a hair capture chamber that collects cut hair and shavings for easy disposal.

1. Turn off the shaver.
2. Gently unclip the shaver head from the main unit.
3. Empty the collected hair into a trash receptacle.
4. Rinse the shaver head under running water to remove any remaining hair. The shaver head is fully washable.
5. Allow the shaver head to air dry completely before reattaching or storing.

6.2 Replacing the Shaver Head

For continued optimal performance, it is recommended to replace the shaver head assembly periodically. Your bundle includes one replacement head.

7. TROUBLESHOOTING

If you encounter any issues with your Remington Balder Pro Head Shaver, please refer to the following common solutions:

- **Shaver not turning on:** Ensure the shaver is fully charged. If the battery is low, connect it to the charger.
- **Poor shaving performance:** Clean the shaver heads thoroughly. If performance does not improve, it may be time to replace the shaver head assembly.
- **Excessive noise during operation:** Ensure the shaver head is securely attached and free from debris. Clean the unit as per maintenance instructions.

For further assistance, please contact Remington customer support.
