Bugaboo Dual Comfort Seat Liner Instruction Manual

Model: 100038031

Brand: Bugaboo

1. INTRODUCTION

The Bugaboo Dual Comfort Seat Liner is an essential accessory designed to enhance your child's comfort in any Bugaboo stroller. This fully reversible liner features two distinct sides to adapt to varying temperatures, ensuring your child remains comfortable year-round. One side offers a breathable 3D mesh for warmer weather, promoting airflow and preventing overheating, while the other provides soft, cooling comfort with a Cooledry effect for cooler conditions. It also protects your stroller's fabric from spills and wear.

2. KEY FEATURES

- **Fully Reversible Design:** Offers two sides for year-round comfort.
- **Breathable Summer Side:** Features 3D mesh fabric for optimal airflow, reducing overheating.
- **Soft & Cooling Comfort Side:** Made with soft pique fabrics and a Cooldry effect to regulate body temperature.
- **Universal Fit:** Designed to fit all Bugaboo strollers (excluding Bugaboo Ant).
- **High-Quality & Durable Materials:** Crafted for longevity and easy maintenance.
- **Machine-Washable:** Simplifies cleaning for busy parents.

Fully reversible to keep your child cool and comfortable in all seasons

3. INSTALLATION AND SETUP

Installing the Bugaboo Dual Comfort Seat Liner is a straightforward process. Ensure your stroller is in an upright position and the harness straps are unbuckled. The liner is designed with openings to thread the stroller's harness straps through, securing it firmly in place.

1. Unbuckle and loosen all harness straps on your Bugaboo stroller.
2. Select the desired side of the seat liner (mesh for summer, soft for cooler weather).
3. Align the seat liner with the stroller seat.
4. Thread the shoulder straps, waist straps, and crotch strap through the corresponding openings in the seat liner.
5. Adjust the harness straps to ensure a snug and secure fit for your child.

4. OPERATING (USAGE)

Once installed, the Dual Comfort Seat Liner provides an immediate upgrade to your stroller's comfort and functionality. The reversible design allows you to adapt the stroller for different weather conditions. Use the 3D mesh side during warm periods to maximize breathability and minimize sweating. Switch to the soft pique fabric side for added cushioning and a Cooldry effect that helps regulate temperature in milder or cooler weather.

5. MAINTENANCE

Maintaining your Bugaboo Dual Comfort Seat Liner is simple, ensuring hygiene and longevity. The liner is machine-washable, making it easy to clean up spills and messes.

- Remove the seat liner from the stroller by unthreading the harness straps.
- Machine wash the liner on a gentle cycle with cold water.
- Use a mild detergent. Do not use bleach.
- Air dry flat. Do not tumble dry or iron.
- Ensure the liner is completely dry before re-installing it in the stroller.

Protects your stroller from accidental spills, crumbs, and snacks

6. TROUBLESHOOTING

If you encounter any issues with your Bugaboo Dual Comfort Seat Liner, please refer to the following common solutions:

- **Liner does not fit correctly:** Ensure all harness straps are properly threaded through the designated slots. The liner is designed for Bugaboo strollers (excluding Bugaboo Ant).
- **Liner feels uncomfortable:** Check that the correct side is facing up for the current weather conditions. The mesh side is for breathability in warm weather, and the soft side provides cushioning and temperature regulation in cooler weather.
- **Stains or odors persist after washing:** Pre-treat stubborn stains before machine washing. For persistent odors, ensure the liner is thoroughly dried in a well-ventilated area.

For further assistance, please contact Bugaboo customer support.
