

Bugaboo S003114009

Bugaboo All-Season Footmuff Instruction Manual

Model: S003114009

INTRODUCTION

The Bugaboo All-Season Footmuff is designed to provide comfort and protection for your child in various weather conditions. Featuring a soft, breathable fleece lining and a water-repellent exterior, it ensures your child stays warm and dry. This manual provides essential information for the proper setup, operation, and maintenance of your footmuff.

SETUP

The Bugaboo All-Season Footmuff is compatible with all Bugaboo strollers (except Bugaboo Ant) and most other stroller brands. Follow these steps to properly install the footmuff:

1. **Prepare the Stroller:** Ensure your stroller's harness system is accessible.
2. **Position the Footmuff:** Place the footmuff inside the stroller seat, aligning the back of the footmuff with the backrest of the seat.
3. **Thread the Harness:** Locate the harness slots on the footmuff. Thread the stroller's shoulder straps, waist straps, and crotch strap through the corresponding openings on the footmuff. Ensure all straps are securely threaded and adjusted for your child's safety.
4. **Secure the Footmuff:** The footmuff is designed to integrate seamlessly with the stroller harness, holding it in place.

footmuffs

All-season essential.
Use it from cold winters to chilly summer nights.

OPERATING INSTRUCTIONS

The Bugaboo All-Season Footmuff offers several features for your child's comfort and safety:

- **Two-Way Zipper:** The footmuff features a two-way zipper that allows you to open it from both the top and bottom. This enables quick adjustments to changing weather conditions, providing ventilation or full coverage as needed.
- **Magnetic Apron:** A handy magnet allows you to quickly adjust and secure the footmuff's apron, providing flexibility for your child to have their hands out or be fully enclosed.
- **Cocoon-Shaped Headpiece:** The integrated cocoon-shaped headpiece offers additional protection from wind and cold, keeping your child's head snug and warm.
- **Reflective Elements:** For enhanced safety during low-light conditions, the footmuff includes reflective elements to improve visibility.

**Soft, breathable
inside & water
repellent outside**

**Cocoon-shaped
headpiece for extra
wind protection**

**Reflective elements
for extra safety**

**Improved fit on all
Bugaboo strollers*
as well as compatible
with most other
strollers**

***Except Ant**

MAINTENANCE

Proper care ensures the longevity and performance of your Bugaboo All-Season Footmuff:

- **Cleaning:** The footmuff is machine-washable. Refer to the care label for specific washing instructions (typically cold water, gentle cycle).
- **Shoe Shield:** The built-in shoe shield helps keep the interior of the footmuff clean. Wipe it down regularly with a damp cloth to remove dirt and debris.
- **Water Repellency:** The exterior fabric is water-repellent. In case of light rain, water beads off the surface. For heavier precipitation, consider using additional rain protection for your stroller.

Comfort & temperature regulation.
Thanks to soft, breathable fleece inside.

TROUBLESHOOTING

- **Footmuff not staying in place:** Ensure all harness straps are correctly threaded through the footmuff's slots and securely fastened according to your stroller's instructions.
- **Difficulty with zipper:** Check for any fabric caught in the zipper. Apply a small amount of zipper lubricant if it continues to stick.
- **Child appears uncomfortable:** Adjust the two-way zipper and magnetic apron to regulate temperature. Ensure the harness is not too tight and allows for comfortable movement.

SPECIFICATIONS

Model Number

S003114009

Dimensions (Package)	18.7 x 13.39 x 8.07 inches
Item Weight	2 pounds
Materials	Water-repellent exterior, soft and breathable fleece lining
