TOY PLAYER City Cafe Building Blocks Set

MODEL: 00908 - INSTRUCTION MANUAL

Introduction

This instruction manual provides detailed guidance for assembling and understanding the features of your TOY PLAYER City Cafe Building Blocks Set, Model 00908. This 1443-piece modular building set is designed for enthusiasts aged 14 and up, offering an engaging construction experience and a detailed display model.

Safety Information

This building toy has passed CPSIA safety tests, ensuring it meets safety standards. Please observe the following:

- **Small Parts Warning:** This set contains small parts and is not suitable for children under 3 years due to choking hazards.
- **Recommended Age:** Manufacturer recommended age is 14 years and up.
- **Assembly:** Adult supervision is recommended during assembly, especially for younger builders, to ensure correct part handling.
- **Handling:** Handle all pieces with care to prevent breakage or loss.

Setup and Assembly

The City Cafe Building Blocks Set is designed for a rewarding assembly experience. Follow the step-by-step instructions provided in the color picture manual.

Preparation

- **Unpacking:** Carefully open the packaging and sort the numbered bags.
- **Workspace:** Prepare a clean, well-lit workspace to prevent loss of small pieces.
- **Manual:** Keep the instruction manual readily accessible for reference.

Assembly Steps

- Follow Numbered Bags:** The building blocks are organized into numbered bags corresponding to the steps in the manual. Open bags only as instructed.
- Step-by-Step Guidance:** Each step in the manual features clear color pictures to guide you through the construction process.
- Secure Connections:** Ensure all bricks fit tightly together. If a connection feels loose, re-examine the previous steps.
- Modular Construction:** The set is built in three modular layers, allowing for easier assembly and access to interior details.

Maintenance

To ensure the longevity and appearance of your City Cafe Building Blocks Set, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth or a small brush to gently remove dust from the model. Avoid using water or chemical cleaners, as these can damage the plastic or printed elements.
- **Storage:** Store the assembled model or unbuilt pieces in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Handling:** When moving the model, support it from the base to prevent sections from detaching.

Troubleshooting

Here are solutions to common issues you might encounter:

- **Missing Parts:** If you find any parts missing during assembly, please contact our customer service for replacements. Do not attempt to force incompatible pieces.
- **Loose Connections:** If sections of the building feel unstable or bricks do not connect securely, re-examine the instruction manual for that specific step. Ensure all studs are fully engaged.
- **Lighting Issues:** If the integrated lights are not functioning, check the battery compartment (if applicable) and ensure all wiring connections are secure as per the lighting installation instructions.
- **Structural Instability:** Some users have noted that certain floor levels or window sections may feel less supported. If you experience bowing or instability, consider reinforcing these areas with additional compatible bricks if available, or ensure all connections are as tight as possible.
