Image: All items included in the AeroFit Pro package: headphones, charging case, detachable neckband, USB-C cable, and user manual.

Setup and Getting Started

Charging Your Headphones

Before first use, fully charge your AeroFit Pro headphones and charging case. Connect the provided USB-C cable to the charging port on the case and a power source. The LED indicator on the case will show charging status.

Powering On/Off

To power on, open the charging case or long-press the physical button on each earbud. To power off, place the earbuds back into the charging case and close the lid, or long-press the physical button on each earbud until they power down.

Pairing with Your Device

1. Open the charging case. The earbuds will automatically enter pairing mode (LED indicators will flash).
2. On your device, enable Bluetooth and search for
