Lamshaw IDW13, IDW16, IDW19, IDW17

Lamshaw 22mm Fabric Elastic Scrunchie Smartwatch Bands User Manual

Models: IDW13, IDW16, IDW19, IDW17 Compatible Smartwatches

INTRODUCTION

This manual provides instructions for the installation, care, and maintenance of your Lamshaw 22mm Fabric Elastic Scrunchie Smartwatch Bands. These bands are designed for compatibility with various smartwatch models, including IDW13, IDW16, IDW19, and IDW17 series watches from brands such as TOOBUR, TEMINICE, VRPEFIT, Konitee, Gydom, Faweio, Woneligo W3, MILOUZ, Amzhero, and A-TGTGA.

Please read this manual thoroughly before using your new watch bands to ensure proper fit and longevity.

PRODUCT FEATURES

- **Material:** High-quality soft cotton fabric, designed to be skin-friendly, soft, and durable.
- **Design:** Scrunchie elastic design for comfortable wear and easy on/off.
- **Compatibility:** 22mm lug width, compatible with IDW13, IDW16, IDW19, IDW17 series smartwatches.
- **Washable:** Fully hand washable with soap and water.

SETUP AND INSTALLATION

Follow these steps to install your Lamshaw Fabric Elastic Scrunchie Smartwatch Band onto your compatible smartwatch.

Step 1: Prepare Your Smartwatch

Ensure your smartwatch is powered off before beginning the installation process. If you are replacing an existing band, carefully remove it according to your smartwatch's specific instructions. Most smartwatch bands have quick-release pins or levers on the underside.

Step 2: Attach the Band

1. Locate the spring bars on your new Lamshaw scrunchie band.

2. Insert one end of the spring bar into the lug hole on one side of your smartwatch.
3. Using your finger, push the spring bar lever inward to compress the spring.
4. Align the other end of the spring bar with the opposite lug hole on the smartwatch and release the lever. Ensure the spring bar clicks securely into place.
5. Gently tug on the band to confirm it is firmly attached to the smartwatch. Repeat for the second half of the band.

Video: This video demonstrates the process of attaching a Lamshaw scrunchie elastic smartwatch band to a compatible smartwatch. It shows how to align the spring bars and secure the band to the watch lugs.

OPERATING AND USE

The Lamshaw Fabric Elastic Scrunchie Smartwatch Band is designed for comfortable daily wear. Its elastic nature allows for easy slipping on and off your wrist.

Wearing the Band

Simply slide the elastic band over your hand and onto your wrist. Adjust its position for a comfortable fit. The scrunchie design naturally conforms to your wrist without the need for clasps or buckles.

BEST CHOICE AS GIFT

for yourself, family, friends, the person you love

MAINTENANCE AND CARE

To ensure the longevity and cleanliness of your Lamshaw Fabric Elastic Scrunchie Smartwatch Band, follow these care instructions:

- **Washing:** The band is fully hand washable. Detach the band from your smartwatch before washing. Use mild soap and cool water. Gently rub the fabric to clean.
- **Drying:** After washing, gently squeeze out excess water. Lay the band flat or hang it to air dry completely. Avoid direct sunlight or high heat, which can damage the elastic and fabric.
- **Storage:** Store the band in a clean, dry place when not in use.
- **Avoid Chemicals:** Do not expose the band to harsh chemicals, solvents, or abrasive cleaners, as these can degrade the fabric and elastic.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Band feels too loose on wrist.	Wrist size may be smaller than the band's intended fit.	While the band is elastic, it may not provide a snug fit for all wrist sizes. Consider wearing it slightly higher on the arm if possible for better sensor contact, or explore alternative band sizes if available.
Band is difficult to attach to smartwatch.	Spring bars not properly aligned or compressed.	Ensure the spring bar is fully compressed and both ends are aligned with the lug holes before releasing. Gently wiggle the band to confirm it's locked in place.

Problem	Possible Cause	Solution
Skin irritation.	Accumulation of sweat or dirt; allergic reaction to material.	Regularly wash the band as per maintenance instructions. If irritation persists, discontinue use and consult a dermatologist. The cotton material is generally skin-friendly, but individual sensitivities vary.

SPECIFICATIONS

- **Band Material:** Cotton
- **Clasp Type:** Hidden Clasp (elastic design)
- **Lug Width:** 22mm
- **Compatibility:** Smartwatches with 22mm lug width, including IDW13, IDW16, IDW19, IDW17 series.
