Soundcore A3872

Soundcore AeroFit Open-Ear Headphones User Manual

Model: A3872 | Brand: Soundcore

INTRODUCTION

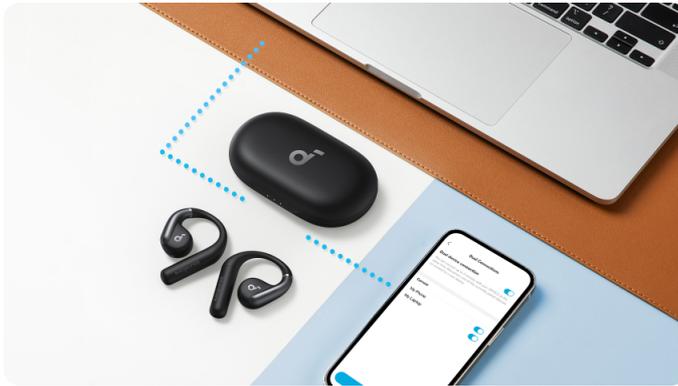

Welcome to the user manual for your Soundcore AeroFit Open-Ear Headphones. These headphones are designed to provide unmatched comfort and allow you to stay aware of your surroundings while enjoying high-quality audio. Featuring a non-intrusive design, ergonomic ear hooks, and advanced sound technology, AeroFit is perfect for all-day wear and various activities.

Image: Soundcore AeroFit Open-Ear Headphones and their charging case.

WHAT'S IN THE BOX

- AeroFit Open-Ear Headphones
- Charging Case
- USB-C Charging Cable
- User Manual

Multipoint Connection

AeroFit supports dual connection allowing simple switching between two devices with the soundcore app.

Image: All items included in the Soundcore AeroFit package.

SETUP

1. Charging

Before first use, fully charge the headphones and the charging case. Connect the USB-C cable to the charging port on the case and a power source. The indicator lights on the case will show the charging status.

2. Power On/Off

The headphones automatically power on when removed from the charging case and power off when placed back into the case and the lid is closed.

3. Pairing

1. Open the charging case. The headphones will automatically enter pairing mode.
2. On your device, enable Bluetooth and search for "Soundcore AeroFit".
3. Select "Soundcore AeroFit" to connect. Once connected, you will hear an audible confirmation.

4. Wearing the Headphones

Gently place the ear hook over your ear, ensuring the speaker portion rests comfortably near your ear canal without entering it. Adjust for a snug and secure fit. The flexible ear hooks are designed for comfort and stability during various activities.

SMALL-EAR FRIENDLY, ERGONOMIC DESIGN

Image: Side view of a person wearing the headphones, highlighting their small-ear friendly and ergonomic design.

OPERATING

Touch Controls

The Soundcore AeroFit headphones feature intuitive touch controls for managing playback, calls, and voice assistants. Specific functions can be customized via the Soundcore app.

Calls

AeroFit headphones are equipped with 4 microphones and an AI Noise Reduction Algorithm to ensure

clear call quality, even in noisy environments. Simply use the touch controls to answer, end, or reject calls.

Balanced and Clear Sound

Experience rich mids, crisp highs, and a well-balanced sound profile thanks to the drivers' composite diaphragms with titanium-coated domes.

Image: The dual headphones highlighting the 4-mic setup for enhanced call clarity.

Multipoint Connection

AeroFit supports dual connection, allowing you to seamlessly switch between two paired devices, such as a smartphone and a laptop, without needing to re-pair. Manage connected devices through the Soundcore app.

A black AeroFit headphone case is open, showing two earbuds inside. The case is placed on a light blue circular surface with a clock-like pattern. To the left of the case, there are three lines of text: '11H Single Charge', '42H with Charging Case', and '10Mins = 4Hrs Fast Charging'. To the right of the case, there is a section titled 'Endless Power' with a small paragraph below it.

11H
Single Charge

42H
with Charging Case

10Mins = 4Hrs
Fast Charging

Endless Power

Enjoy convenient listening with 11 nonstop hours of audio—42 hours total with charging case.

Image: Headphones connected to multiple devices, demonstrating the multipoint feature.

Soundcore App Control

Download the Soundcore app to unlock the full potential of your AeroFit headphones. The app allows for personalized EQ settings, touch control customization, firmware updates, and more.

Industry-Leading IPX7 Waterproof

Featuring unbeatable waterproof and sweatproof performance, soundcore exclusive SweatGuard™ technology, and a unique chamber design for total protection.

Image: The Soundcore app interface, showcasing customization options for your headphones.

MAINTENANCE

Cleaning

Regularly clean your headphones with a soft, dry cloth. For deeper cleaning, especially after intense workouts, you can rinse them under fresh water as they are IPX7 waterproof. Ensure they are completely dry before placing them back in the charging case.

4 Mics Ensure Clear Calls

4 beamforming mics are combined with an AI algorithm to deliver crystal clear clarity, even in a busy environment.

Image: Headphones in water, illustrating their IPX7 waterproof capability.

Storage

When not in use, store the headphones in their charging case to protect them from dust and damage, and to keep them charged for your next use.

TROUBLESHOOTING

Issue	Solution
-------	----------

Issue	Solution
Headphones not pairing	Ensure headphones are charged. Place them back in the case, close the lid, then open it again to re-enter pairing mode. Check your device's Bluetooth settings.
No sound or low volume	Adjust volume on both headphones and connected device. Ensure headphones are properly seated on your ears. Check Soundcore app EQ settings.
Poor call quality	Ensure microphones are not obstructed. Move closer to your connected device. Check for environmental noise.
Headphones not charging	Check USB-C cable and power adapter. Ensure charging contacts on headphones and case are clean and dry.

SPECIFICATIONS

Feature	Detail
Model Name	Soundcore AeroFit Open-Ear Headphones
Model Number	A3872
Connectivity Technology	Wireless (Bluetooth 5.3)
Ear Placement	Open Ear
Earpiece Shape	Ear hook
