

Minimal QDKMFL20

Minimal Nordic Stainless Steel Flatware Set (20-Piece) Instruction Manual

Model: QDKMFL20

1. INTRODUCTION

Thank you for choosing the Minimal Nordic Stainless Steel Flatware Set. This manual provides essential information for the proper setup, usage, care, and maintenance of your new flatware set. Designed for durability and an elegant aesthetic, this 20-piece set is crafted from high-quality stainless steel to enhance your dining experience.

2. PRODUCT COMPONENTS

The Minimal Nordic 20-piece flatware set provides service for four people and includes the following items:

- **Four (4) Dinner Knives:** Approximately 9.4 inches (238 mm) in length.
- **Four (4) Dinner Spoons:** Approximately 8.3 inches (210 mm) in length.
- **Four (4) Dinner Forks:** Approximately 8.3 inches (210 mm) in length.
- **Four (4) Dessert Spoons:** Approximately 7.4 inches (188 mm) in length.
- **Four (4) Dessert Forks:** Approximately 7.4 inches (188 mm) in length.

Each piece is crafted from 18/10 premium stainless steel, with the knife blades made from SS420 stainless steel for enhanced cutting performance. The set is presented in a solid wooden gift box.

3. SETUP AND FIRST USE

1. **Unpacking:** Carefully remove all flatware pieces from the packaging. Inspect each piece for any signs of damage.
2. **Initial Cleaning:** Before first use, wash all flatware thoroughly with warm water and a mild dish soap. Rinse completely and dry immediately with a soft cloth to prevent water spots.

4. USAGE GUIDELINES

The Minimal Nordic flatware set is designed for everyday dining and special occasions. Use each piece for its intended purpose (e.g., knives for cutting, forks for piercing, spoons for scooping).

- Avoid using flatware with abrasive cleaning pads or harsh chemicals, as this can damage the polished finish.
- Do not use flatware for tasks it is not designed for, such as opening cans or prying objects.

5. CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your Minimal Nordic flatware.

Dishwasher Cleaning

- The flatware set is dishwasher safe.
- Load flatware with handles down in the dishwasher basket, ensuring pieces are not nested to allow for thorough cleaning.
- Use a mild detergent. Avoid detergents with lemon or citrus additives, as these can be corrosive to stainless steel.
- Remove flatware promptly after the wash cycle is complete.
- Dry immediately with a soft cloth to prevent water spots and maintain the mirror-polished finish.

Hand Washing

- For best results and to preserve the finish, hand washing is recommended.
- Wash with warm water and a mild dish soap using a soft sponge or cloth.
- Rinse thoroughly under running water.
- Dry immediately with a soft, lint-free cloth. Do not allow flatware to air dry, as this can lead to water spots.

Storage

Store flatware in a dry environment. Consider using a flatware organizer or the original wooden box to prevent scratching and maintain organization.

6. TROUBLESHOOTING

Issue	Possible Cause	Solution
Water Spots or Streaks	Hard water, air drying, insufficient rinsing.	Dry flatware immediately after washing. Use a rinse aid in the dishwasher. Ensure thorough rinsing.
Dullness or Loss of Luster	Abrasive cleaners, harsh detergents, prolonged exposure to acidic foods.	Use mild detergents and soft cloths. Avoid abrasive materials. Polish with a stainless steel cleaner if necessary.
Rust Spots (Pitting)	Contact with other metals (e.g., cast iron), prolonged soaking in water, highly acidic foods left on surface.	Avoid contact with dissimilar metals. Wash immediately after use. Do not soak for extended periods. Remove rust spots with a non-abrasive stainless steel cleaner.

7. SPECIFICATIONS

- **Model:** QDKMFL20
- **Material:** 18/10 Stainless Steel (SS304 for spoons/forks, SS420 for knife blades)
