2. SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Ensure all components are present and undamaged before beginning assembly. Do not use if any parts are missing or damaged.
- Always use appropriate tools and follow recommended safety procedures during assembly.
- This tabletop is designed for use with compatible sit-stand desk frames. Ensure your desk frame can support the weight and dimensions of this tabletop.
- Distribute weight evenly across the tabletop surface to prevent tipping or instability.
- Keep children and pets away from the assembly area.

3. PACKAGE CONTENTS

Verify that your package contains the following item:

- Mount-It! MI-7701 Sit-Stand Desk Tabletop (Black, 55" x 29" x 1")

Note: Desk frame and other accessories are sold separately.

4. SETUP AND ASSEMBLY

This tabletop is designed to be mounted onto a compatible sit-stand desk frame. Follow the assembly instructions provided with your desk frame for proper installation. The general steps for attaching the tabletop are as follows:

1. **Prepare the Desk Frame:** Ensure your sit-stand desk frame is fully assembled and stable according to its own instruction manual.
2. **Position the Tabletop:** Carefully place the Mount-It! tabletop upside down on a soft, clean surface to prevent scratches.
3. **Align the Frame:** Place the assembled desk frame upside down onto the tabletop, aligning it centrally and ensuring even overhang on all sides.
4. **Mark Screw Holes:** Use a pencil to mark the positions for screws through the mounting holes on your desk frame's crossbars and side brackets.
5. **Attach the Tabletop:** Secure the tabletop to the desk frame using the screws provided with your desk frame. Ensure screws are tightened firmly but do not overtighten to avoid damaging the tabletop material.
6. **Flip the Desk:** With assistance, carefully flip the assembled desk upright.

5. OPERATING INSTRUCTIONS

Once assembled, the operation of your desk will depend on the features of your sit-stand desk frame. This tabletop provides a stable surface for your equipment. Consider the following for optimal use:

- **Weight Capacity:** Adhere to the maximum weight capacity specified by your desk frame manufacturer.
- **Weight Distribution:** Distribute monitors, computers, and other items evenly across the tabletop to maintain balance and stability.
- **Surface Protection:** Use coasters for drinks and mouse pads to protect the surface from scratches and spills.

6. MAINTENANCE

To ensure the longevity and appearance of your tabletop, follow these maintenance guidelines:

- **Cleaning:** Wipe the surface regularly with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the engineered wood material.
- **Heat Protection:** Do not place hot items directly on the tabletop. Use heat-resistant pads or coasters.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure, which can cause fading or discoloration over time.

7. TROUBLESHOOTING

If you encounter any issues with your tabletop, consider the following:

- **Wobbly Tabletop:** Ensure all screws attaching the tabletop to the desk frame are securely tightened. Check that the desk frame itself is stable and properly assembled.
- **Surface Scratches:** Minor scratches can sometimes be minimized with furniture polish or repair kits designed for engineered wood. For deeper scratches, consider professional repair or surface covers.
- **Uneven Surface:** This tabletop is manufactured as a single, seamless piece. If you perceive an uneven surface, verify that the desk frame is level and that the tabletop is securely mounted without warping.
