Kieslect LORA

Kieslect Lady Calling Lora Smartwatch User Manual

Model: LORA

1. INTRODUCTION

This manual provides detailed instructions for the Kieslect Lady Calling Lora Smartwatch. Please read this manual thoroughly before using your device to ensure proper operation and to maximize its features. Keep this manual for future reference.

2. PRODUCT OVERVIEW

The Kieslect Lady Calling Lora Smartwatch is designed to keep you connected and informed. It features a round display, a comfortable strap, and a side button for navigation and control.

Key Features:

- Built-in speaker and microphone for making and receiving calls directly from your wrist.
- Ability to send and receive text messages.
- Voice command functionality for controlling music, getting directions, and more.
- Integrated heart rate monitor for health tracking.
- Step counter to monitor daily activity.

Components:

Image 2.1: Front view of the Kieslect Lady Calling Lora Smartwatch, showcasing its round display with a heart rate and calorie counter, and a purple strap.

Image 2.2: The smartwatch with its purple strap unclasped, displaying the full length of the strap and the watch face.

Image 2.3: Two Kieslect Lora smartwatches, one purple and one beige, both showing an incoming call screen with the name 'Miss Lora'. This illustrates the calling feature.

Image 2.4: The Kieslect Lora Smartwatch, its retail packaging, and the included charging cable, laid out on a surface.

3. SETUP

3.1 Charging the Smartwatch

1. Connect the magnetic charging cable to the charging contacts on the back of the smartwatch.
2. Plug the USB end of the cable into a standard USB power adapter (5V/1A recommended) or a computer's USB port.
3. The watch display will indicate charging status. Ensure the watch is fully charged before first use. A full charge typically takes approximately 2 hours.

3.2 App Installation

To unlock the full potential of your Kieslect Lora Smartwatch, download and install the companion application on your smartphone. Search for 'Kieslect' in your device's app store (Google Play Store for Android or Apple App Store for iOS).

3.3 Pairing with Your Smartphone

1. Ensure your smartwatch is charged and powered on.
2. Enable Bluetooth on your smartphone.
3. Open the Kieslect companion app on your smartphone.
4. Follow the in-app instructions to search for and connect to your smartwatch. The watch will typically appear as 'Kieslect Lora' or a similar name.
5. Confirm the pairing request on both your smartphone and the smartwatch if prompted.

4. OPERATING INSTRUCTIONS

4.1 Basic Navigation

- **Touchscreen:** Swipe up, down, left, or right to navigate through menus and notifications. Tap to select items.
- **Side Button:** Press to return to the home screen or wake the device. A long press may access power options or a specific function depending on context.

4.2 Making and Receiving Calls

Once paired via Bluetooth, your smartwatch can handle calls directly. Ensure the Bluetooth connection is stable.

- **Receiving Calls:** When a call comes in, the watch will display the caller ID. Tap the green icon to answer or the red icon to reject.
- **Making Calls:** Access the dialer or contact list on your smartwatch (via the app menu) to initiate a call.

4.3 Messaging and Notifications

The smartwatch displays notifications from your paired smartphone, including text messages. You can read messages directly on the watch face. Replying to messages may be available through pre-set quick replies or voice input, depending on the app's features.

4.4 Health Monitoring

- **Heart Rate:** Access the heart rate monitor function from the watch menu. Ensure the watch is snug on your wrist for accurate readings.
- **Step Counter:** The watch automatically tracks your steps throughout the day. View your daily step count and other activity data in the dedicated activity app on the watch or the companion smartphone app.

4.5 Voice Commands

Utilize the voice command feature by activating it on your smartwatch (refer to the app for specific activation methods). You can then use voice commands for tasks such as controlling music playback, setting reminders, or getting directions (requires smartphone GPS connectivity).

5. MAINTENANCE

5.1 Cleaning

- Wipe the watch screen and body with a soft, lint-free cloth.

- For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals or abrasive materials.
- Clean the charging contacts regularly to ensure proper charging.

5.2 Battery Care

- Avoid fully discharging the Lithium Polymer battery frequently.
- Do not expose the watch to extreme temperatures, as this can degrade battery life.
- If storing the watch for an extended period, charge it to about 50% to prevent deep discharge.

6. TROUBLESHOOTING

6.1 Watch Not Turning On

- Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- Press and hold the side button for 10-15 seconds to attempt a forced restart.

6.2 Unable to Pair with Smartphone

- Verify Bluetooth is enabled on your smartphone and the watch.
- Ensure the watch is within Bluetooth range (typically 10 meters).
- Restart both your smartphone and the smartwatch.
- Clear the Bluetooth cache on your smartphone or forget the device and try pairing again.
- Ensure the Kieslect app is updated to the latest version.

6.3 Inaccurate Health Data

- Ensure the watch is worn snugly on your wrist, not too loose or too tight.
- Avoid excessive movement during heart rate measurements.
- Clean the sensor on the back of the watch.
