## WAMPAT Sunbury

# WAMPAT Sunbury TV Stand Instruction Manual

## 1. PRODUCT OVERVIEW

The WAMPAT Sunbury TV Stand is a versatile entertainment center designed to accommodate large televisions, typically ranging from 75 to 100 inches. This unit features a multi-in-1 design, allowing it to be used as a single large TV stand or separated into smaller units such as a nightstand and a side table. It includes five cubby storage spaces for organizing media devices, accessories, and other items. The stand is constructed from engineered wood with an oak finish, providing both durability and a modern aesthetic.

## 2. SAFETY INFORMATION

---

- Always handle components with care during assembly to prevent injury or damage.
- Ensure all screws and fasteners are securely tightened before placing any items on the stand.
- Do not exceed the maximum weight limit of 270 pounds on the top board.
- Distribute weight evenly across the stand to maintain stability.
- Keep small parts away from children during assembly.

## 3. SETUP AND ASSEMBLY

---

The WAMPAT Sunbury TV Stand requires assembly and is shipped in two separate packages. Please ensure you have received both packages before beginning assembly. Detailed instructions and all necessary hardware are included. Follow the step-by-step guide provided in the packaging for proper assembly.

### 3.1 Package Contents

Verify that all components listed in the instruction manual are present in the two packages. If any parts are missing or damaged, please contact customer support.

### 3.2 Assembly Steps

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the provided labels and the assembly diagram.
3. Follow the numerical sequence in the instruction manual to connect the panels and shelves.
4. Secure all connections with the provided hardware, ensuring they are snug but do not overtighten.
5. Attach the solid wooden legs to the base of the stand.
6. Once assembled, carefully move the stand to its desired location.

## 4. OPERATING INSTRUCTIONS

The WAMPAT Sunbury TV Stand is designed for flexible use in your living room or bedroom.

### 4.1 TV Placement

This stand is suitable for TVs ranging from 75 to 100 inches. While designed for 85+ inch TVs, it can accommodate various large screen sizes. Ensure the TV's base fits securely on the tabletop and does not exceed the stand's dimensions or weight capacity.

#### 4.3 Cable Management

The design of the stand, without a limiting backboard, facilitates easy cable routing and management, helping to keep wires tidy and out of sight.

#### 4.4 Robot Vacuum Clearance

The elevated design of the stand provides sufficient clearance underneath, allowing robot vacuum cleaners to pass freely for convenient floor cleaning.

## 5. MAINTENANCE

---

To ensure the longevity and appearance of your WAMPAT Sunbury TV Stand, follow these simple maintenance guidelines:

- **Cleaning:** The stand features a smooth, waterproof surface. Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Dusting:** Regularly dust the surfaces with a dry, soft cloth.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your WAMPAT Sunbury TV Stand, please refer to the following:

- **Stability Issues:** Ensure all assembly screws are fully tightened. Verify the stand is placed on a flat, level surface.
- **Damaged or Missing Parts:** If you received damaged parts or are missing components, do not proceed with assembly. Contact WAMPAT customer support immediately for assistance.
- **General Concerns:** For any other concerns or questions not covered in this manual, please reach out to WAMPAT customer service.
