3. SETUP AND ASSEMBLY

3.1 Unfolding the Changing Station

1. Unzip the main compartment of the backpack.
2. Locate the foldable changing station section at the back of the backpack.
3. Carefully unfold the changing station outwards until it lies flat.
4. Ensure the support rods are extended and locked into place for stability.
5. Place the breathable, foldable changing pad inside the unfolded station.

3.2 Attaching Sunshade/Anti-mosquito Net

1. Identify the sunshade/anti-mosquito net accessory.
2. Attach the net to the designated loops or clips around the changing station opening.
3. Ensure the net is securely fastened to provide full protection.

3.3 Using the USB Charging Port

1. Locate the USB port on the side of the backpack.
2. Inside the main compartment, connect your portable power bank (not included) to the internal USB cable.
3. Connect your device's charging cable to the external USB port to charge your phone or other devices.

4.2 Organizing Contents

- Utilize the insulated pockets for baby bottles to maintain temperature.

- Use the dry & wet separation pocket for soiled clothes or wet items to keep them separate from dry items.
- Store valuables like wallets and keys in the anti-theft back pocket.
- Keep wipes and water bottles easily accessible in the side pockets.

5. MAINTENANCE AND CARE

Proper care will extend the life of your Houscly Diaper Backpack:

- **Cleaning:** Hand wash only. Do not machine wash, bleach, or tumble dry.
- **Spot Cleaning:** For minor spills, wipe with a damp cloth and mild soap.
- **Drying:** Air dry thoroughly before folding or storing to prevent mold or mildew.
- **Storage:** Store in a cool, dry place away from direct sunlight when not in use.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
Changing station unstable	Support rods not fully extended/locked.	Ensure all support rods are fully extended and securely locked into place. Place on a flat, stable surface.
USB port not charging device	No power bank connected internally; faulty cable; power bank discharged.	Connect a charged power bank to the internal USB cable. Check if your charging cable is functional. Ensure power bank is charged.
Stroller straps slipping	Straps not securely fastened; overloaded bag.	Ensure straps are tightly clipped to the stroller handle. Reduce weight if overloaded.
