SAFETY INFORMATION

- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Assemble the desk on a soft, clean surface to prevent scratches or damage.
- Do not overtighten screws during assembly, as this may damage the material.
- Keep small parts and packaging materials away from children and pets to prevent choking hazards.
- The desk has a maximum weight capacity of 350 lbs. Do not exceed this limit.
- Periodically check all connections and fasteners to ensure they remain tight and secure.
- When rotating the desk, ensure there is sufficient clearance to avoid hitting walls or other furniture.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are included in your package. All necessary hardware and assembly tools are provided.

- Desk panels (main desktop, storage unit panels, drawer fronts)
- 3 Drawers with slides
- 2 Shelves
- 360° Rotating mechanism
- All necessary assembly hardware (screws, dowels, brackets, etc.)
- Assembly Instruction Manual

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the HSH 360° Rotating L Shaped Computer Desk typically takes less than 60 minutes with clear, step-by-step instructions provided in the included manual. It is recommended to have at least one person for assembly. All required tools are included.

1. **Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface. Identify each part using the labels and the assembly diagram.
2. **Assemble the Storage Unit:** Begin by assembling the main frame of the storage unit, including the side panels and fixed shelves. Ensure all connections are secure.
3. **Install Drawer Slides:** Attach the drawer slides to the interior of the storage unit and to the sides of the drawer boxes as per the instructions.
4. **Assemble Drawers:** Construct the three drawers and install them into the storage unit.
5. **Attach Rotating Mechanism:** Secure the 360° rotating mechanism to the top of the storage unit. Pay close attention to the orientation as indicated in the assembly guide to ensure proper function.

7. **Final Checks:** Once assembled, gently test the stability of the desk and the smooth operation of the rotating mechanism and drawers.

OPERATING INSTRUCTIONS

The HSH 360° Rotating L Shaped Computer Desk offers versatile configurations to suit your space and needs.

360° Rotation Feature:

The desk's unique design allows the main desktop to swivel 360 degrees relative to the storage unit. This enables various configurations, including:

- **L-Shape Configuration:** Ideal for corner spaces, providing a large work surface and easy access to storage.
- **Straight Configuration:** Suitable for linear spaces, extending the desk length.
- **Compact Configuration:** Swivel the desktop over the storage unit for a more compact footprint when not in use.

To rotate, gently push or pull the main desktop section. Ensure no objects are obstructing the movement path. For optimal stability, position the desk in a desired configuration and ensure it is not forced beyond its natural rotation limits.

360° Free Rotating

MAINTENANCE AND CARE

- **Cleaning:** Wipe the desk surfaces with a dry, soft cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish.
- **Spills:** In case of spills, wipe them immediately with a dry cloth to prevent staining or damage to the engineered wood.
- **Sunlight and Heat:** Avoid prolonged exposure to direct sunlight or extreme heat sources, which can cause fading or warping.
- **Hardware Check:** Periodically inspect all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability.

TROUBLESHOOTING

Desk is Wobbly:

- Ensure all assembly screws are fully tightened.
- Verify that the desk is placed on a flat, even surface. Adjust if necessary.

Drawers Do Not Slide Smoothly:

- Check that the drawer slides are correctly installed and aligned.
- Ensure no foreign objects are obstructing the drawer slides.

Rotating Mechanism is Stiff:

- Ensure the rotating mechanism is clean and free of debris.
- Verify that the desk is not overloaded or unevenly weighted.
- Check for any obstructions around the rotating part of the desk.

SPECIFICATIONS

Brand	HSH
Model Number	LC060103
