2. Safety Guidelines

Please read and follow these safety instructions carefully to prevent injury or damage to the product:

- Always ensure the desk is properly assembled according to the instructions before use.
- Use the adjustable foot pads to maintain stability on uneven surfaces.
- Do not place heavy objects on the desk that exceed its maximum weight capacity of 150 pounds, especially on the monitor stand (20 pounds) or main desktop (110 pounds), to prevent tipping or damage.
- Keep the desk away from direct heat sources, open flames, and excessive moisture.
- Ensure all electrical connections for the USB ports and power outlets are secure and not overloaded.
- Supervise children when they are near or using the desk to prevent accidents.

If any parts are damaged or missing, do not attempt to assemble or use the desk. Contact customer support immediately.

3. Assembly Instructions

Assembly of the ODK Computer Desk is designed to be straightforward. It is recommended that two people assemble the desk for ease and safety. All necessary parts are clearly labeled, and detailed instructions are included in the package.

Preparation:

- Unpack all components and verify against the parts list provided in your package.
- Clear a spacious area for assembly.
- While a screwdriver is typically included, having your own set of basic tools may be beneficial.

Assembly Tips:

- Follow the step-by-step instructions provided in the included manual.
- **Important:** Do not fully tighten screws until all screws for a particular section have been inserted and aligned. This allows for minor adjustments and ensures proper fit.
- Pay attention to the orientation of parts, especially for the LED strip, to ensure correct placement.

4. Product Features and Operation

The ODK Computer Desk is equipped with several features designed for convenience and comfort:

4.1. USB Charging Ports & Power Outlets

The desk features an integrated power strip with 3 standard AC power outlets (120V/12A) and 2 USB charging ports (5V-2A). This allows for easy and convenient charging of your electronic devices directly from your workspace. The power cord is 4.9 feet long.

4.2. Desk with Drawers & Adjustable Monitor Stand

The desk includes three large-capacity fabric drawers, providing organized and dust-free storage for your office or study supplies. The monitor stand is adjustable to three different height positions (3.2", 4.3", 5.5"), allowing you to customize your viewing angle for ergonomic comfort. The monitor stand is also removable without leaving screw holes on the desktop.

4.3. Gaming Desk with Colorful LED Lights

Enhance your workspace or gaming setup with the built-in LED strip. It offers 10 static colors, 6 brightness grades, and 10 dynamic modes. The lights also feature a memory function, retaining your last setting. Adjusting the lighting can help reduce eye strain and create a more immersive environment.

5. Care and Maintenance

To ensure the longevity and appearance of your ODK Computer Desk, follow these care and maintenance guidelines:

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent moisture damage to the wood desktop.

- **Heat and Moisture:** Protect the surface from extreme heat and moisture. Use coasters for drinks and heat pads for hot items.
- **Scratches:** While durable, the desk can still scratch. Use a desk mat or mouse pad to protect the surface from sharp objects or prolonged friction.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure the desk remains stable and secure.
- **Fabric Drawers:** The fabric drawers can be spot cleaned with a mild detergent and damp cloth. Allow them to air dry completely before placing them back in the desk.

6. Troubleshooting

If you encounter any issues with your ODK Computer Desk, please refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Uneven floor; loose screws; incorrect assembly.	Adjust the foot pads at the bottom of the legs to level the desk. Check and tighten all assembly screws. Review assembly instructions to ensure all parts are correctly installed.
LED lights are not working.	Power connection issue; faulty LED strip; remote control battery.	Ensure the LED strip is properly plugged into the power outlet. Check the connection points of the LED strip. If using a remote, check its battery.
USB ports or AC outlets are not providing power.	Power strip not plugged in; circuit breaker tripped; overloaded.	Verify the desk's main power cord is securely plugged into a working wall outlet. Check if the power strip has a reset button. Avoid overloading the outlets with too many high-power devices.
Drawers do not slide smoothly.	Improper installation of drawer supports; overloaded drawers.	Ensure the fabric drawers are correctly inserted and their support frames are properly assembled. Do not overload the drawers beyond their capacity.

If the problem persists or is not listed here, please contact ODK customer support for assistance.
