VEVOR ZZ 507

VEVOR Folding Shopping Cart Instruction Manual

Model: ZZ 507 | Brand: VEVOR

PRODUCT OVERVIEW

The VEVOR Folding Shopping Cart is designed for convenience and durability, offering a robust solution for transporting groceries, laundry, and other items. Its heavy-duty metal frame and intensive mesh base ensure a high load-bearing capacity, while the powder coating provides anti-scratch and anti-rust properties. Featuring double baskets and 3600 swivel wheels, this cart offers excellent maneuverability and ample storage.

- **Upgraded Intensive Mesh Base & Durable Frame:** Heavy-duty metal frame with 110 lbs capacity and dense metal base to prevent items from falling. Powder coating for anti-scratch and anti-rust.
- **Double Baskets:** Main basket (17.4 x 14.4 x 21.7 in) and rear basket (17.4 x 5.6 x 12 in) for versatile storage.
- **3600 Swivel Wheels:** Four quality wheels ensure smooth gliding across various surfaces.
- **Convenient Storage:** Folds down easily for compact storage, ready to use in seconds.
- **Effortless Assembly:** Simple attachment of storage basket, handles, and wheels.

SETUP AND ASSEMBLY

The VEVOR Folding Shopping Cart is designed for straightforward assembly. Please follow the steps below to set up your cart. All necessary tools are included.

Assembly Steps:

- 1. Unpack Components:** Carefully remove all parts from the packaging. You should find the pre-assembled cart body, two large rear wheels, two small front swivel wheels, an axle, nuts, washers, end caps, and cap cotter pins. A small wrench is also included.
- 2. Install Front Swivel Wheels:**
 - Insert the stem of each small swivel wheel into the designated holes at the front base of the cart. Ensure they are fully inserted.
 - Place a small washer onto the stem, followed by a spring shim.
 - Secure each wheel by placing a nut onto the stem and rotating it clockwise until tight. Use the provided

wrench for a secure fit.

3. Install Rear Wheels:

- Slide one large rear wheel onto one end of the axle. Ensure a washer is placed between the wheel and the cart frame to prevent direct rubbing.
- Pass the axle through the designated holes at the rear base of the cart.
- Slide the second large rear wheel onto the other end of the axle, again ensuring a washer is placed between the wheel and the cart frame.
- Secure each rear wheel using the end cap and cap cotter pin. Insert the pin through the hole in the axle and bend its ends to prevent the wheel from falling out.

4. **Verify Stability:** Once all wheels are attached, gently push and pull the cart to ensure all components are securely fastened and the wheels spin freely.

OPERATING INSTRUCTIONS

The VEVOR Folding Shopping Cart is designed for ease of use and versatility.

Unfolding the Cart:

1. Hold the cart by the handle.
2. Locate the black plastic clip or latch that secures the folded cart. Release this latch.
3. Gently pull the two main sides of the cart apart until the base fully extends and locks into place. Ensure the bottom mesh is flat and secure.

Folding the Cart for Storage:

1. Ensure the cart is empty.
2. Lift the bottom mesh base upwards, allowing the sides of the cart to collapse inward.
3. Push the two main sides together until they are flat against each other.

4. Secure the folded cart with the black plastic clip or latch to prevent it from unfolding during transport or storage.

COMPACT FOLABLE DESIGN

Space-saving and easy to store

Image: The cart demonstrating its compact foldable design for easy storage.

Using the Double Baskets:

- The main basket is ideal for larger items like groceries, laundry, or bulk purchases.
- The rear basket provides additional storage for smaller, frequently accessed items such as bags, personal belongings, or delicate goods.

HIGH LOAD CAPACITY

Store a week's worth of groceries for a family

110 lbs/50 kg
Loading Bearing

Maneuvering the Cart:

- The 360° swivel front wheels allow for easy navigation in tight spaces and smooth turns.
- The larger rear wheels provide stability and support for heavier loads, making it easier to pull the cart over various terrains.

4 INDUSTRIAL PP SWIVEL WHEELS

Easy to move over any terrain

MAINTENANCE

Regular maintenance will ensure the longevity and optimal performance of your VEVOR Folding Shopping Cart.

- **Cleaning:** Wipe down the metal frame and baskets with a damp cloth and mild detergent as needed. Avoid abrasive cleaners that could damage the powder coating. Dry thoroughly to prevent rust.
- **Wheel Inspection:** Periodically check the wheels for any debris (hair, string, etc.) that might impede their rotation. Clean as necessary. Ensure the nuts and pins securing the wheels are tight.
- **Lubrication:** If the wheels or folding mechanism become stiff, apply a small amount of silicone-based lubricant to the moving parts.
- **Storage:** When not in use, store the cart in a dry place to prevent rust and prolong its lifespan. Utilize its folding feature for compact storage.

TROUBLESHOOTING

Here are some common issues and their potential solutions:

Problem	Possible Cause	Solution
Wheels not spinning freely	Debris caught in wheels; loose nuts/pins; lack of lubrication.	Clean wheels of debris. Tighten nuts/pins. Apply silicone lubricant.
Cart difficult to fold/unfold	Mechanism stiff; debris in joints.	Ensure cart is empty. Clean joints. Apply silicone lubricant to hinges.
Cart feels unstable	Uneven load distribution; loose wheel attachments.	Distribute weight evenly in baskets. Check and tighten all wheel attachments.
