IRONCK HK-JCS-02

IRONCK Vanity Desk Set with LED Lighted Mirror and Power Outlet (Model HK-JCS-02) User Manual

Comprehensive instructions for assembly, operation, and maintenance.

1. Product Overview

The IRONCK Vanity Desk Set (Model HK-JCS-02) is designed to provide a functional and organized space for personal grooming. This set includes a vanity desk with multiple storage options, a large LED lighted mirror with adjustable settings, an integrated power outlet, and a matching storage bench.

Key Features:

- **Ample Storage:** Features three large drawers, six storage shelves, and two cabinets for organizing beauty essentials and jewelry.
- **Unique LED Lighted Mirror:** High-definition mirror with three LED light modes (Warm Yellow, Warm White, Cold White) and adjustable brightness. The mirror slides horizontally to reveal a hidden storage space.
- **Integrated Charging Station:** Includes two standard AC power outlets (110V/12A) and two USB ports (5V/2A) for convenient charging of electronic devices and powering styling tools.
- **Sturdy Construction:** Constructed from MDF board and an iron frame for stability and durability.
- **Storage Bench:** A cushioned bench with a lift-top seat for additional hidden storage.

2. Safety Instructions

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Assembly:** Always assemble the product on a soft, clean surface to prevent scratches. Ensure all parts are present before beginning assembly. Do not overtighten screws, as this may damage the material.
- **Weight:** The vanity desk weighs approximately 102.3 pounds. It is recommended to have at least two people for assembly and moving the unit to prevent injury.
- **Stability:** Ensure the vanity desk is placed on a level surface. If necessary, use wall anchor kits (not included) to secure the unit to the wall, especially if children are present, to prevent tipping.
- **Electrical Components:** The integrated power outlet and USB ports are designed for indoor use only. Do not expose to water or excessive moisture. Ensure the power cord is not pinched or damaged. Unplug the unit from the wall outlet before cleaning or if any electrical issues occur.
- **Mirror:** Handle the mirror with care. Avoid striking the mirror surface. In case of breakage, dispose of glass

fragments safely.

- **Children:** Keep small parts and packaging materials away from children during assembly. Do not allow children to climb on or play with the vanity desk.

3. Package Contents

Before beginning assembly, verify that all components listed in the included parts list are present and undamaged. If any parts are missing or damaged, please contact customer support immediately.

- Vanity Desk Panels (various sizes)
- LED Lighted Mirror Assembly
- Storage Bench Components
- Hardware Pack (screws, dowels, cam locks, etc.)
- Assembly Tools (basic screwdriver may be included, but a power drill is recommended)
- Instruction Manual

4. Assembly Instructions

Assembly is required for this product. Please follow the step-by-step instructions provided in the separate assembly guide included in your package. The process typically takes 2-3 hours for one person, but having assistance is recommended due to the product's weight and numerous components.

- **Preparation:** Clear a spacious area for assembly. Lay out all parts on a soft, clean surface to prevent scratches and easily identify each component. Organize hardware by type.
- **Tools:** A Phillips head screwdriver is essential. While a small manual screwdriver may be provided, a rechargeable drill/screwdriver with appropriate bits will significantly speed up the process.
- **Step-by-Step:** Follow the numerical sequence in the assembly guide carefully. Pay close attention to diagrams and part orientations.
- **Mirror Installation:** Ensure the mirror tracks are correctly aligned and secured before attempting to slide the mirror.
- **Electrical Connection:** Once the vanity is fully assembled, connect the power cord to a standard wall outlet.

5. Operating Instructions

5.1 LED Lighted Mirror

The mirror features integrated LED lighting with adjustable settings.

- **Power On/Off:** Briefly press the touch switch on the mirror surface to turn the lights on or off.
- **Adjusting Light Modes:** With the lights on, briefly press the touch switch to cycle through the three available light modes: Warm Yellow, Warm White, and Cold White.

- **Adjusting Brightness:** To adjust the brightness, long-press the touch switch. The brightness will gradually increase or decrease. Release the switch when the desired brightness is reached.
- **Sliding Mirror:** The mirror is designed to slide horizontally along its track. Gently push the mirror to the left or right to access the hidden storage compartment behind it.

This image demonstrates the sliding functionality of the LED mirror, revealing a hidden storage compartment behind it, ideal for organizing cosmetics and small items.

5.2 Power Outlet and USB Charging Station

The vanity desk includes a built-in charging station for convenience.

- **AC Outlets:** Two standard 110V/12A AC outlets are provided for powering hair dryers, curling irons, or other small appliances.
- **USB Ports:** Two 5V/2A USB ports are available for charging smartphones, tablets, or other USB-powered devices.
- **Usage:** Ensure the vanity desk's main power cord is plugged into a functional wall outlet for the charging station to operate.

A detailed view of the vanity desk's storage capabilities, showing open drawers and side cabinets filled with various beauty products and accessories.

The accompanying stool features a cushioned top that lifts to reveal additional storage space, suitable for larger items like a hairdryer or towels.

6. Maintenance and Care

To ensure the longevity and appearance of your IRONCK Vanity Desk Set, follow these care guidelines:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood finish.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a soft, lint-free cloth.
- **Electrical Components:** Ensure the unit is unplugged before cleaning any electrical components.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

7. Troubleshooting

If you encounter any issues with your vanity desk, refer to the following common problems and solutions:

- **Missing or Damaged Parts:** If you discover any missing or damaged parts upon unboxing, do not proceed with assembly. Contact IRONCK customer support with your purchase details and the specific part numbers from the assembly guide.
- **Difficulty During Assembly:** Review the assembly instructions carefully. Ensure all parts are oriented correctly. Do not force components together. If a part does not fit, double-check the step and corresponding part numbers.
- **LED Mirror Not Lighting Up:**
  - Ensure the vanity desk's main power cord is securely plugged into a functional wall outlet.
  - Check if the power outlet itself is working by plugging in another device.
  - Ensure the touch switch on the mirror is being pressed correctly (brief press for on/off, long press for brightness).
- **Charging Station Not Working:**
  - Verify that the vanity desk's main power cord is properly connected to a live wall outlet.
  - Test the AC outlets and USB ports with different devices to confirm the issue is with the charging station and not the device being charged.
- **Mirror Does Not Slide Smoothly:** Check the mirror tracks for any obstructions or debris. Ensure all screws securing the mirror tracks are tightened appropriately, but not overtightened.

For further assistance, please contact IRONCK customer support.

8. Specifications

Feature	Detail
Brand	IRONCK
Model Number	HK-JCS-02
UPC	727370526540
Product Dimensions (Desk)	45.2"D x 55.7"W x 15.7"H (115cm x 141.5cm x 40cm)
