

## IRONCK HK-JCS-02

# IRONCK Vanity Desk Set with LED Mirror and Power Outlet (Model HK-JCS-02)

User Manual

## INTRODUCTION

---

Thank you for choosing the IRONCK Vanity Desk Set. This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your new vanity desk. Designed for functionality and style, this set features a large LED lighted mirror, integrated power outlets, and ample storage to organize your beauty essentials.

## SAFETY INFORMATION

---

- Always follow assembly instructions carefully to ensure stability.
- Do not overload drawers or shelves.
- Keep electrical components (power outlet, LED mirror) away from water.
- Ensure the power cord is not pinched or damaged.
- For indoor use only.

## SETUP AND ASSEMBLY

---

The IRONCK Vanity Desk Set requires assembly. It is recommended to have two people for assembly due to the weight and size of some components. Please follow these guidelines for a smooth setup:

1. **Unpack and Inspect:** Carefully unpack all components and verify against the parts list provided in your packaging. Inspect for any damage. If any parts are damaged or missing, contact customer support immediately.
2. **Organize Parts:** Sort all furniture parts into numerical order and assembly hardware into alphabetical order. Do not open hardware bags until instructed.
3. **Tools:** While a basic screwdriver is included, using a power drill or electric screwdriver (with appropriate torque settings) can significantly ease the assembly process.
4. **Follow Instructions:** Adhere strictly to the step-by-step pictorial instructions provided in your product packaging. Pay close attention to the orientation of each piece.

- Mirror Installation:** Ensure the mirror tracks are correctly aligned before securing. If the mirror does not slide smoothly, recheck the track installation.

The assembled vanity desk measures approximately 45.2"D x 55.7"W x 15.7"H.

## OPERATING INSTRUCTIONS

### LED Lighted Mirror

The vanity features a large LED lighted mirror with adjustable settings for optimal illumination.

- **Power On/Off:** Lightly press the touch switch on the mirror to turn the LED lights on or off.
- **Adjust Light Modes:** Short press the touch switch to cycle through three different light modes: **Warm Yellow**, **Warm White**, and **Cold White**.
- **Adjust Brightness:** Long press the touch switch to adjust the brightness level within the selected light mode. Release when desired brightness is achieved.
- **Sliding Feature:** The mirror can slide left and right, revealing a hidden storage compartment behind it.

## Integrated Power Outlet

The vanity includes a convenient charging station to power your devices.

- **AC Outlets:** Two standard 110V/12A AC outlets are provided for appliances like hair dryers or curling irons.
- **USB Ports:** Two 5V/2A USB ports are available for charging mobile phones, tablets, or other USB-powered devices.
- **Power Cord:** The unit comes with a 6-foot power cord for connection to a wall outlet.

## Storage Features

This vanity set offers extensive storage solutions:

- **Drawers:** Three large drawers provide ample space for cosmetics and accessories.
- **Shelves:** Six open storage shelves are available for display or easy access items.
- **Cabinets:** Two side cabinets offer concealed storage.
- **Hidden Storage:** A compartment behind the sliding mirror provides discreet storage.
- **Adjustable Shelves:** Some shelves are adjustable to accommodate items of various heights.
- **Storage Bench:** The included cushioned bench features a lift-top seat for additional hidden storage.

## MAINTENANCE

---

To maintain the appearance and longevity of your vanity desk, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Promptly clean any spills to prevent staining or damage to the engineered wood.
- **Electrical Components:** Ensure the power outlet and LED mirror are dry before use. Do not attempt to clean electrical parts with liquid.

## TROUBLESHOOTING

---

If you encounter any issues with your IRONCK Vanity Desk Set, refer to the following common problems and solutions:

- **Missing or Damaged Parts:** If you find any parts missing or damaged upon unboxing, do not proceed with assembly. Contact customer support for replacements.
- **Assembly Difficulties:** Review the assembly instructions carefully. Ensure all parts are oriented correctly and hardware is used in the designated places. Using a power tool can help with tightening screws.
- **Mirror Not Sliding Smoothly:** Check the installation of the mirror tracks. Ensure they are level and free from obstructions.

Re-adjust if necessary.

- **LED Mirror Lights Not Working:** Verify that the vanity is properly plugged into a functional power outlet. Check the power cord for any damage. Ensure the touch switch is clean and responsive.
- **Power Outlets Not Functioning:** Confirm the vanity is plugged in. Test the wall outlet with another device. If the issue persists, contact customer support.

## SPECIFICATIONS

Feature	Detail
