Marg AC Power Cord Instruction Manual

For FLYCO Shavers FS901, FA902, FS903, FS921, FS922, FS923

INTRODUCTION

This instruction manual provides essential information for the safe and effective use of your Marg AC Power Cord. This power cord is specifically designed to provide reliable power to compatible FLYCO shaver models, including FS901, FA902, FS903, FS921, FS922, and FS923. Please read this manual thoroughly before use and retain it for future reference.

SETUP

Follow these steps to properly set up your Marg AC Power Cord:

- 1. Identify the Connectors:** The power cord features a standard 2-pin AC wall plug on one end and a specific connector designed for FLYCO shavers on the other.
- 2. Connect to Shaver:** Carefully insert the shaver connector end of the power cord into the charging port of your compatible FLYCO shaver (FS901, FA902, FS903, FS921, FS922, FS923). Ensure a firm and secure connection.
- 3. Connect to Power Outlet:** Plug the 2-pin AC wall plug into a standard electrical outlet. The power cord is designed for an input voltage of 240 Volts.
- 4. Verify Connection:** Once connected, your shaver should indicate that it is receiving power or charging, depending on the shaver model.

OPERATING INSTRUCTIONS

Once the power cord is properly connected to both the shaver and a power outlet, it will begin to supply power or charge your device. The Marg AC Power Cord is designed for efficient charging and reliable performance.

- **Efficient Charging:** The adapter is engineered to provide rapid charging, ensuring your shaver powers up quickly.

- **Reliable Performance:** Expect stable power delivery to your shaver with every use.
- **Safety Features:** The cord includes advanced safety features such as overcharging and overheating protection to safeguard your device.

Always ensure the power cord is fully inserted into both the shaver and the wall outlet to prevent intermittent power supply.

MAINTENANCE

Proper care and maintenance will extend the lifespan of your power cord:

- **Cleaning:** Disconnect the power cord from both the shaver and the power outlet before cleaning. Wipe the cord and connectors with a dry, soft cloth. Do not use liquid cleaners or immerse the cord in water.
- **Storage:** When not in use, store the power cord in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid tightly coiling or bending the cord sharply, as this can damage the internal wires.
- **Inspection:** Periodically inspect the cord for any signs of damage, such as frayed wires, cuts, or bent pins on the connectors. If any damage is observed, discontinue use immediately and replace the cord.

TROUBLESHOOTING

If you encounter issues with your Marg AC Power Cord, refer to the following troubleshooting tips:

- **Shaver Not Charging/Receiving Power:**
 - Ensure both ends of the power cord are securely plugged into the shaver and the wall outlet.
 - Test the wall outlet with another device to confirm it is functional.
 - Check the power cord for any visible damage (frays, cuts, bent pins). If damaged, replace the cord.
 - Confirm that your shaver model is listed as compatible (FS901, FA902, FS903, FS921, FS922, FS923).
- **Intermittent Charging:**
 - Ensure connections are tight and not loose.
 - Avoid placing strain on the cord or connectors during use.

If the problem persists after attempting these steps, please contact customer support.

SPECIFICATIONS

Brand	Marg
Model Number	B2023728152
Color	Black
Input Voltage	240 Volts
Power Source	Corded Electric
Main Power Connector Type	2 Pin
Specification Met	CE
Manufacturer	Marg
ASIN	B0CCZYVL3C

WARRANTY

This Marg AC Power Cord comes with a **2 Years Warranty** from the date of purchase. This warranty covers manufacturing defects under normal use. It does not cover damage caused by misuse, accident, unauthorized modification, or improper installation. Please retain your proof of purchase for warranty claims.
