Booyuer C0276

Booyuer Christmas Decorations House Building Kit C0276 Instruction Manual

Model: C0276

1. Safety Information

Please read all safety information before assembly and use of this product.

- **Adult Supervision:** Children under 6 years old require adult supervision during assembly and play due to small parts.
- **Choking Hazard:** This kit contains small parts which may pose a choking hazard for young children. Keep all components out of reach of children under 3 years of age.
- **Material Safety:** The building bricks are made from high-quality ABS material, which is non-toxic and smooth.

2. Product Overview

The Booyuer Christmas Decorations House Building Kit (Model C0276) is a 1301-piece construction set designed for creative assembly. This kit allows users to build a detailed Christmas-themed house with various decorative elements.

The assembled house features intricate details including interior rooms like a dining room, bedroom, and kitchen, along with exterior decorations such as a Christmas tree, snowman, and mailbox. The design promotes imaginative play and can serve as a festive display item.

3. Package Contents

Upon opening the package, verify that all components are present:

- 1301 Building Bricks (sorted into numbered bags)
- 1 Instruction Manual
- 1 Sheet of Stickers
- 1 Brick Separator Tool

Image: The product packaging, instruction manual, sticker sheet, brick separator, and bags of building blocks.

4. Assembly Instructions

Follow the detailed, step-by-step instructions provided in the included paper manual for proper assembly. The building bricks are organized into numbered bags, corresponding to the steps in the manual.

1. **Unpack Components:** Carefully open the product packaging and lay out the numbered bags of bricks, the instruction manual, and the sticker sheet.
2. **Follow Manual Steps:** Refer to the instruction manual and locate the corresponding numbered brick bags for each assembly stage.
3. **Connect Bricks:** Connect the building bricks firmly to ensure a stable structure. The brick separator tool can assist in disassembling incorrectly placed bricks.
4. **Apply Stickers:** Once the structure is complete or as indicated in the manual, apply the decorative stickers to enhance the model's appearance.

5. Operating Instructions (Play and Display)

Once assembled, the Christmas house building kit is ready for interactive play and display.

- **Imaginative Play:** Encourage children to engage in imaginative scenarios with the assembled house, fostering creativity and storytelling.
- **Display:** The completed model makes an excellent decorative piece for the holiday season. Its compact connection between bricks ensures it remains stable for display.

6. Maintenance

Proper care will ensure the longevity and cleanliness of your building kit.

- **Cleaning:** To clean the bricks, use warm water and a mild soap. Rinse thoroughly and allow to air dry completely before storage or reassembly.
- **Storage:** Store the building bricks and assembled model in a cool, dry place away from direct sunlight to prevent discoloration or damage.

7. Troubleshooting

If you encounter any issues during assembly or with the product, refer to the following common solutions:

- **Missing Pieces:** Carefully check all packaging and bags. If pieces are genuinely missing, please contact customer support for assistance.
- **Difficulty Connecting Bricks:** Ensure bricks are aligned correctly. Apply firm, even pressure. The brick separator tool can help if bricks are too tight or need to be removed.
- **Unclear Instructions:** Review the instruction manual carefully. If a step remains unclear, try to visualize the next stage or refer to online resources if available.

8. Specifications

- **Model Number:** C0276

- **Number of Pieces:** 1301
- **Material:** ABS Plastic
- **Product Dimensions (Assembled):** Approximately 15.35 inches (L) x 5.47 inches (W) x 9.92 inches (H)
