Soundcore A3012

Soundcore H30i Wireless On-Ear Headphones User Manual

Model: A3012

Introduction

Welcome to the user manual for your Soundcore H30i Wireless On-Ear Headphones. This guide provides detailed instructions on how to set up, operate, maintain, and troubleshoot your headphones to ensure optimal performance and longevity. The Soundcore H30i headphones offer pure bass, long playtime, a lightweight and comfortable design, Bluetooth 5.3 connectivity, and app customization.

Setup

What's in the Box

- Soundcore H30i headphone
- Aux-in cable (1.2m)
- USB Type-C Charging Cable (30cm)
- QSG + Safety Card

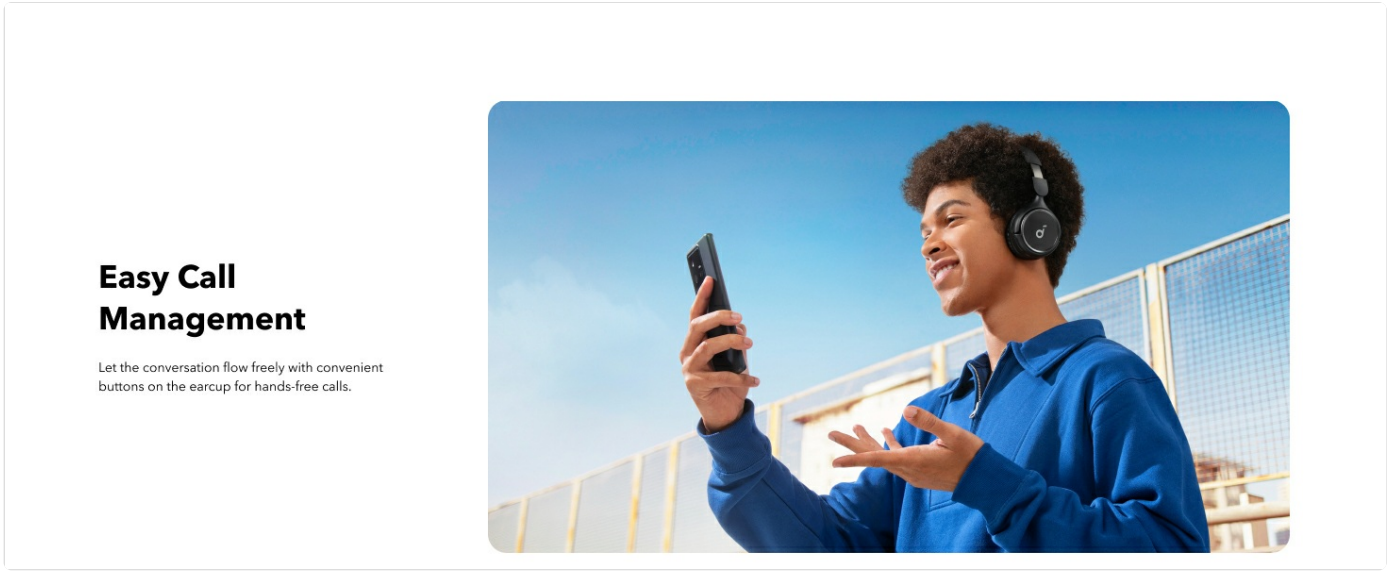

Image: The Soundcore H30i headphones along with their included accessories: an Aux-in cable and a USB Type-C charging cable.

Charging Your Headphones

Before first use, fully charge your Soundcore H30i headphones. Connect the provided USB Type-C charging cable to the charging port on the headphones and a power source. A quick 5-minute charge provides up to 4 hours of playtime, while a full charge offers an impressive 70 hours of battery life.

Bluetooth Pairing

To pair your Soundcore H30i headphones with a device:

1. Ensure the headphones are powered off.
2. Press and hold the power button until the LED indicator flashes blue, indicating pairing mode.
3. On your device, enable Bluetooth and select "Soundcore H30i" from the list of available devices.

4. Once connected, the LED indicator will turn solid blue.

The headphones support Bluetooth 5.3 for a seamless and stable connection.

Multipoint Connection

The Soundcore H30i headphones support multipoint connection, allowing you to connect to two devices simultaneously. This enables seamless switching between devices, for example, from watching a movie on your laptop to answering a call on your phone.

Soundcore App Customization

Enhance your listening experience by downloading the Soundcore app. The app allows you to:

- Customize EQ settings or choose from preset options.
- Enjoy relaxing white noise.
- Update firmware for optimal performance.

Maintenance

Cleaning Your Headphones

To maintain the cleanliness and longevity of your headphones:

- Wipe the earcups and headband with a soft, dry cloth.

- For stubborn dirt, slightly dampen the cloth with water and mild soap, then wipe gently.
- Ensure the headphones are completely dry before storing or using them.
- Avoid using harsh chemicals or abrasive materials.

Storage

When not in use, store your Soundcore H30i headphones in a cool, dry place away from direct sunlight and extreme temperatures. Utilize their foldable design to minimize space and protect them from damage.

Troubleshooting

Common Issues and Solutions

Issue	Possible Cause	Solution
Headphones not turning on	Low battery	Charge the headphones fully.
Cannot pair with device	Headphones not in pairing mode / Device Bluetooth off	Ensure headphones are in pairing mode (flashing blue LED). Turn on Bluetooth on your device and search for "Soundcore H30i".
Sound is distorted or intermittent	Too far from device / Obstructions / Interference	Move closer to your device (within 10 meters). Remove any obstructions between headphones and device. Avoid strong Wi-Fi signals or other Bluetooth devices.
No sound	Volume too low / Not connected / Incorrect audio output	Increase headphone and device volume. Re-pair the headphones. Check your device's audio output settings.
