iClever BK20

iClever BK20 Bluetooth Keyboard User Manual

Model: BK20

1. PRODUCT OVERVIEW

The iClever BK20 Bluetooth Keyboard is designed for multi-device use, offering a compact and productive typing experience. It features a numeric keypad, multimedia keys, and broad compatibility across various operating systems.

2. SETUP

2.1 Powering On

Locate the power switch on the side of the keyboard. Slide the switch to the "ON" position to power on the device.

2.2 Bluetooth Pairing

1. Ensure the keyboard is powered on.
2. Hold and press one of the Bluetooth keys (BT1, BT2, or BT3) for approximately 5 seconds to enter pairing mode. The corresponding indicator light will blink rapidly.
3. On your device (PC, laptop, tablet, or smartphone), open the Bluetooth settings or interface.
4. Search for available Bluetooth devices. Select "iClever BK20 KB" from the list to connect.
5. Once connected, the indicator light will stop blinking and remain solid for a few seconds, then turn off to save power.

3. OPERATING INSTRUCTIONS

3.1 Multi-Device Switching

The iClever BK20 keyboard supports connection with up to three devices simultaneously. To switch between connected devices, simply press the corresponding Bluetooth key (BT1, BT2, or BT3) once. The keyboard will quickly switch its connection to the selected device.

3.2 Enhanced Typing Experience

The keyboard features a scissor key mechanism, providing enhanced feedback and stability for a comfortable and quiet typing experience. Optimized key-travel and anti-slip tapes contribute to precise typing.

75% Compact Design

Compact design saves 25% of space on your desk.
Keep your work/study efficient, and productive

4. MAINTENANCE

4.1 Charging the Keyboard

The iClever BK20 keyboard features a built-in 300mAh lithium battery and a Bluetooth low energy module, providing extended usage time. To charge the keyboard, connect the included USB-C charge cable to the keyboard's USB-C port and to a power source. A full charge supports approximately 300 hours of working time.

5. TROUBLESHOOTING

If you encounter issues with your iClever BK20 keyboard, please refer to the following common solutions:

- **Connection Issues:** Ensure the keyboard is fully charged and within the Bluetooth range (up to 15m). Re-attempt the pairing process as described in the Setup section.
- **Unresponsive Keys:** Check for any physical obstructions under the keys. Ensure the keyboard is properly connected to your device.
- **Battery Life:** If battery life seems shorter than expected, ensure the keyboard is fully charged using the provided USB-C cable.
- **OS Compatibility:** Verify that your device's operating system is supported (Mac OS, iOS, Android, Windows 8/10/11).

For more detailed troubleshooting steps, please consult the official [Troubleshooting Guide \(PDF\)](#) or the [User Manual \(PDF\)](#).

6. SPECIFICATIONS

| Feature | Detail |
|-------------------------|---|
| Product Dimensions | 5.91 x 3.15 x 1.18 inches |
| Item Weight | 1 pounds |
| Manufacturer | iClever |
| ASIN | B0CD1GX8QB |
| Country of Origin | China |
| Item Model Number | BK20 |
| Brand | iClever |
| Compatible Devices | PC, Laptop, iMac, Macbook, Tablet, Smartphone, iPhone, iPad |
| Connectivity Technology | Bluetooth |
| Keyboard Description | Wireless, Bluetooth Keyboard, Scissor Switch, Compact Size, Numeric Keypad, Multimedia Keys |
