# Yclty Modern Bedside Table with 2 Drawers Instruction Manual

Model: 40x40x45cm Black

## 1. INTRODUCTION AND OVERVIEW

Thank you for choosing the Yclty Modern Bedside Table. This manual provides essential information for the proper use, care, and maintenance of your new furniture. Please read it thoroughly before use.

### Product Description

This nightstand/end table features an eco-friendly multi-layer solid wood board construction with a glossy, piano lacquer finish. It includes galvanized gold metal handles and high-quality sliding rails for smooth and quiet drawer operation. Designed to fit seamlessly against walls by reserving skirting line positions, this square side table is a versatile addition to small spaces, helping to keep your home tidy and organized. It can be used as a nightstand, end table, or storage cabinet.

### Key Features

- **Minimalist Design:** Exquisite and compact, perfect for modern home decor with a trendy and luxurious look. Features double drawers for orderly storage, combining simple lines with practicality.
- **Sturdy and Durable:** Constructed with sufficiently thick wooden body for adequate support. The black gloss spray paint ensures a smooth and easy-to-clean surface. Gold ring metal door handles provide a refined finish.
- **Storage Capacity:** Maximum weight capacity of 100kg. Two pull-out drawers with upgraded slides ensure smoother operation without jamming.
- **Extensive Applicability:** Appropriately sized for various uses, including a side table beside a couch, a coffee table on a patio, or a bedside table in a guest room.
- **No Assembly Required:** This product comes fully assembled for your convenience.

### 3. SETUP

The Yclty Modern Bedside Table is designed for immediate use upon delivery. **No assembly is required.** Simply unbox the unit and place it in your desired location.

#### Placement Guidelines

- Ensure the surface where the table will be placed is flat and stable to prevent wobbling.
- Avoid placing the table in direct sunlight or near heat sources to prevent material degradation or discoloration.
- The design includes a reserved position for skirting lines, allowing the table to sit flush against a wall.

### 4. OPERATING INSTRUCTIONS

Your Yclty Bedside Table is designed for versatile functionality and ease of use.

#### Drawer Usage

- The two pull-out drawers are equipped with high-quality sliding rails for smooth and quiet operation.
- To open a drawer, gently pull the gold ring handle. To close, push the drawer back until it is fully seated.
- Avoid overloading the drawers to ensure smooth operation and prevent damage to the slides. The maximum weight capacity for the table is 100kg.

## Versatile Placement

This table can serve multiple purposes:

- **Bedside Table:** Ideal for holding lamps, books, and personal items next to your bed.
- **End Table:** Perfect for placement beside a sofa or armchair in your living room.
- **Storage Cabinet:** Utilize the drawers for discreet storage of various household items, helping to maintain a tidy space.

## 5. MAINTENANCE

---

Proper care and maintenance will ensure the longevity and appearance of your Yclty Bedside Table.

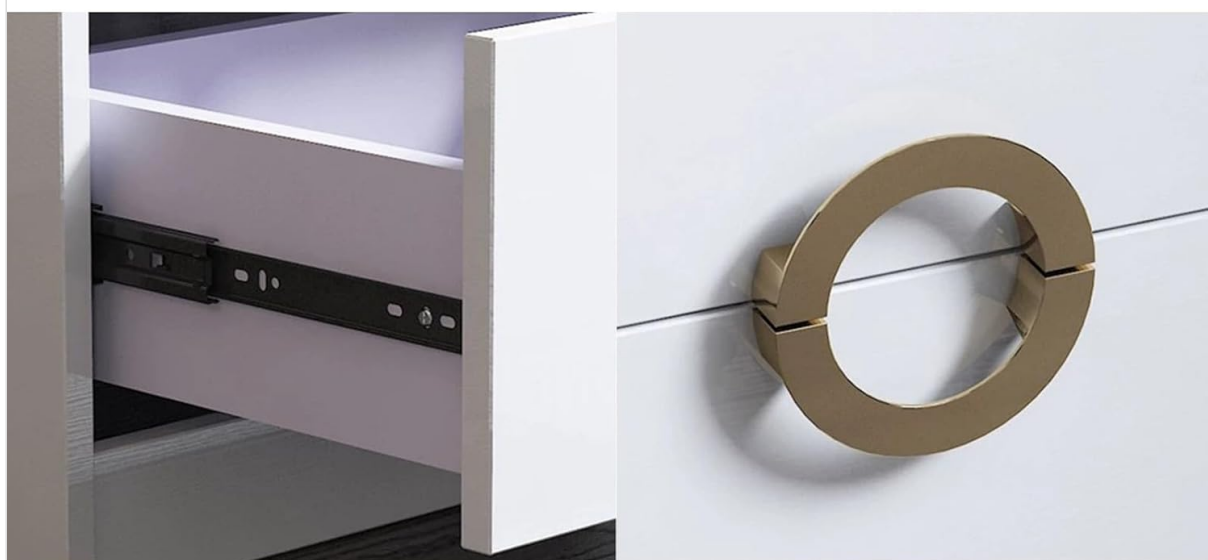

### Cleaning Instructions

- For general cleaning, wipe the glossy surface with a soft, damp cloth.
- Avoid using abrasive cleaners, harsh chemicals, or rough sponges, as these can damage the lacquer finish.
- For spills, wipe immediately with a dry cloth to prevent staining.
- The galvanized gold metal handles can be cleaned with a soft, dry cloth. Avoid liquid cleaners that may tarnish the finish.

### General Care

- Do not place hot items directly on the surface. Use coasters or protective pads.
- Avoid dragging the table across floors; lift it when moving to prevent damage to the legs and floor.
- Periodically check and tighten any screws if the table feels unstable, though this product is designed

for durability and comes pre-assembled.

## 6. TROUBLESHOOTING

This section addresses common concerns you might encounter with your bedside table.

### Drawer Issues

- **Drawer not sliding smoothly:** The table features upgraded drawer slides designed for smooth operation. Ensure the drawer is not overloaded or obstructed by items inside. If the issue persists, gently pull the drawer out completely (if possible) and reinsert it, ensuring it aligns correctly with the rails.
- **Drawer feels loose:** While unlikely due to the pre-assembled nature, check if any items inside are causing imbalance. If the drawer itself feels loose, contact customer service.

### Stability Concerns

- **Table wobbles:** Ensure the table is placed on a flat, even surface. If the floor is uneven, you may need to use furniture pads or shims under the legs to stabilize it.

## Surface Appearance

- **Scratches or marks:** For minor surface marks, a furniture polish designed for glossy finishes may help. For deeper scratches, professional repair may be necessary. Always test any cleaning or repair product on an inconspicuous area first.
