Max Build More 219 Pc Dino Escape Series 1 Brick Set Instruction Manual

Model: 83158

Introduction

This manual provides detailed instructions for the assembly, operation, and care of your Max Build More 219 Pc Dino Escape Series 1 Brick Set. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience. This set allows you to construct an epic dinosaur and a robust truck, enabling imaginative play scenarios.

Safety Information

WARNING: CHOKING HAZARD - Small parts. Not for children under 6 years.
Always supervise children during play. Ensure all small pieces are kept away from younger children and pets to prevent accidental ingestion.

Setup and Assembly

Your Max Build More Dino Escape set comes in a convenient storage egg, containing all 219 pieces required to build your dinosaur and truck. Max Bricks are designed to be compatible with leading brick brands, allowing for expanded creative possibilities.

Unboxing and Part Identification

1. Carefully open the storage egg.
2. Empty all brick pieces onto a clean, flat surface.
3. Familiarize yourself with the different types of bricks and specialized pieces.
4. Locate the instruction booklet included within the egg.

Building the Models

Follow the easy-to-follow instructions provided in the booklet to construct your dinosaur and truck. The instructions will guide you step-by-step through the assembly process for each model.

Operating and Play Features

Once assembled, your dinosaur and truck are ready for adventure. The set is designed for interactive play, allowing you to create exciting dino chase scenarios.

Dinosaur Features

- **Articulated Movement:** The dinosaur features articulated arms, allowing you to pose it in various action stances, such as fighting back against the chase.

Truck Features

- **Movable Wheels:** The truck is equipped with functional wheels for smooth movement across surfaces.
- **Opening Boot:** The truck's rear boot can be opened, designed for trapping the dinosaur during play.

Maintenance and Care

Proper care will ensure the longevity of your Max Build More brick set.

Cleaning

- To clean the bricks, wipe them with a damp cloth.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- Ensure all pieces are completely dry before storing.

Storage

The set comes with a handy storage egg to keep all your pieces safe and tidy. Always store the bricks in a cool, dry place away from direct sunlight to prevent warping or discoloration.

Troubleshooting

If you encounter any issues with your Max Build More set, please refer to the following common solutions:

Missing Pieces

- Carefully re-check the storage egg and the area where you unboxed the set. Small pieces can sometimes be overlooked.
- If you believe a piece is genuinely missing, please contact the manufacturer's customer support for assistance.

Difficulty Assembling

- Double-check the instruction booklet to ensure each step is followed precisely.
- Ensure you are using the correct pieces for each step, as some bricks may appear similar.
- Apply firm, even pressure when connecting bricks.
