4. SETUP

4.1. Battery Installation

The My Magical Pony requires 3 AAA batteries (not included) for operation. Follow these steps to install the batteries:

1. Locate the battery compartment on the underside of the pony.
2. Using a Phillips head screwdriver, unscrew the battery compartment cover.
3. Insert 3 new AAA batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
4. Replace the battery compartment cover and secure it with the screw.

Note: Always use fresh batteries and dispose of old batteries responsibly. Do not mix old and new batteries or different types of batteries.

4.2. Stable Assembly

The stable playset may require minor assembly. Refer to the illustrations on the packaging for guidance on connecting the stable pieces. Ensure all parts are securely clicked into place.

5. OPERATING INSTRUCTIONS

Your Pets Alive My Magical Pony offers over 13 ways to interact and play. Here are some key interactions:

- **Brushing and Styling Mane:** Use the included hairbrush to brush and style the pony's mane.
- **Feeding:** Bring the apple accessory close to the pony's mouth. The pony will make realistic chewing sounds.
- **Bridle and Saddle:** Attach the bridle and saddle to the pony to prepare it for imaginative rides.
- **Interactive Sounds:** The pony makes various realistic pony sounds in response to interaction, such as stroking its nose or feeding it.

6. MAINTENANCE

6.1. Cleaning

To clean your My Magical Pony and Stable:

- Wipe the surface of the pony and stable with a soft, damp cloth.
- Do not immerse the pony in water, as this may damage the electronic components.
- Avoid using harsh chemicals or abrasive cleaners.

6.2. Storage

When not in use, store the pony and its accessories in the stable playset to keep them organized and protected from dust.

If the toy will not be used for an extended period, remove the batteries to prevent leakage.

7. TROUBLESHOOTING
