## Beafon SL260 LTE

# Beafon SL260 LTE 4G Silverline Mobile Phone User Manual

Model: SL260 LTE

## 1. INTRODUCTION

Welcome to the user manual for your Beafon SL260 LTE 4G Silverline mobile phone. This device is designed for ease of use, featuring large buttons, a clear display, and essential functions for reliable communication. Please read this manual carefully to ensure proper use and maintenance of your phone.

## 2. PACKAGE CONTENTS

Please check the box for the following items:

- Beafon SL260 LTE Mobile Phone
- Rechargeable Lithium-ion Battery
- USB Type-C Charging Cable
- Charging Cradle (if included)
- User Manual

## 3. SETUP

### 3.1 Inserting SIM Card and Battery

1. Carefully remove the back cover of the phone.
2. Insert your 4G compatible SIM card(s) into the designated slot(s) with the gold contacts facing down.
3. Insert the battery, ensuring the contacts align correctly.
4. Replace the back cover until it clicks securely into place.

## 3.2 Charging the Battery

Before first use, fully charge the phone's battery. Connect the USB Type-C cable to the phone and a power adapter, or place the phone in its charging cradle. The battery indicator on the screen will show charging status.

## 3.3 Powering On/Off

- To power on: Press and hold the Power/End Call button (**red button**) until the screen lights up.
- To power off: Press and hold the Power/End Call button, then confirm power off on the screen.

## 4. OPERATING INSTRUCTIONS

---

### 4.1 Basic Navigation

The phone features a 2.2-inch color display and large, backlit keys for easy visibility. Use the navigation keys to scroll through menus and select options.

### 4.2 Making and Receiving Calls

- **To make a call:** Enter the phone number using the keypad and press the Call button (**green button**).
- **To answer a call:** Press the Call button (**green button**) when the phone rings.
- **To end a call:** Press the Power/End Call button (**red button**).
- **Hands-free function:** Activate during a call for speakerphone use.

### 4.3 SOS Emergency Call Function

The dedicated SOS button on the back of the phone allows for quick access to emergency contacts. Up to 5 numbers can be programmed. When activated, the phone will sequentially call and send an SMS to these numbers until a connection is made.

### 4.5 Camera

The integrated camera allows you to capture quick snapshots. Access the camera function via a dedicated quick access button.

### 4.6 Flashlight

A built-in flashlight provides convenience in low-light conditions. It can be activated and deactivated using a dedicated control button.

### 4.7 Hearing Aid Compatibility (HAC)

The Beafon SL260 LTE is compatible with hearing aids, rated M4/T4, ensuring clear audio for users with hearing devices.

## 5. MAINTENANCE

- Cleaning:** Use a soft, dry cloth to clean the phone. Avoid liquid cleaners.
- Battery Care:** Do not expose the battery to extreme temperatures. Charge regularly to maintain battery health.
- Storage:** Store the phone in a cool, dry place when not in use for extended periods.

## 6. TROUBLESHOOTING

If you encounter issues with your phone, try the following solutions:

- Phone not turning on:** Ensure the battery is charged and correctly inserted.
- No network signal:** Check if the SIM card is properly inserted. Move to an area with better network coverage.
- Battery not charging:** Verify the charging cable and adapter are working correctly. Check for debris in the charging port.
- Sound issues:** Check volume settings. Ensure the phone is not in silent mode.
