TOHIBEE TOBE-BARA-01

TOHIBEE Baby Montessori Sensory Teether Toy Instruction Manual

Model: TOBE-BARA-01

INTRODUCTION

This manual provides essential information for the safe and effective use of your TOHIBEE Baby Montessori Sensory Teether Toy. Please read these instructions carefully before first use and retain for future reference. This toy is designed to engage infants aged 0-18 months through multi-sensory exploration and aid in teething relief.

PRODUCT FEATURES

- **Multi-Sensory Design:** Features 12 bright colors and textured silicone balls to stimulate visual and tactile senses. Includes a rattle ring, twisting clicking ball, and rotating ball for auditory and motor skill development.
- **Safe Teething Material:** Constructed from high-quality soft silicone and durable ABS plastic, providing a safe and effective surface for teething babies to relieve gum discomfort.
- **Developmental Benefits:** Its lightweight and compact size is ideal for small hands, encouraging grasping, reaching, and the development of gross motor skills.
- **Travel-Friendly:** Easily fits into diaper bags, making it a convenient and engaging toy for travel, keeping babies occupied during car or plane trips.

SAFETY INFORMATION

Your child's safety is paramount. This TOHIBEE Baby Montessori Sensory Teether Toy has been rigorously tested by a CPSC approved laboratory and meets the ASTM F963-23 and CPSIA standards for safety.

- Always supervise your child during play.
- Inspect the toy before each use for any signs of damage or wear. Discontinue use if any parts are broken or detached.
- Ensure all components are securely attached. The design prevents small parts from falling off during normal use.
- This toy is BPA-free.

SETUP AND INITIAL USE

The TOHIBEE Baby Montessori Sensory Teether Toy comes pre-assembled and ready for use after initial cleaning.

1. Remove all packaging materials and dispose of them properly.
2. Before first use, clean the toy according to the 'Maintenance and Cleaning' instructions.
3. Present the toy to your infant. Encourage them to grasp, shake, and explore the different textures and moving parts.

OPERATING INSTRUCTIONS

This toy is designed for intuitive play and sensory exploration. No batteries or complex operations are required.

- **Grasping and Holding:** The toy's spherical shape and protruding silicone elements are easy for small hands to grip.
- **Teething Relief:** The soft, textured silicone balls are ideal for babies to chew on, providing comfort during teething.
- **Sensory Exploration:** Encourage your child to shake the toy to hear the rattle, twist the central ball for clicking sounds, and rotate the outer elements to observe movement and color changes.

Meeting The Biological & Emotional Needs of The Baby's Oral Stage

MAINTENANCE AND CLEANING

Regular cleaning is essential to maintain hygiene and prolong the life of your TOHIBEE sensory teether toy.

- **Hand Wash:** Clean only with mild soap and warm water.
- **Sterilization:** The toy can be sterilized by boiling in water for less than 1 minute, steam cleaning, or UV sterilization.
- **Drying:** Allow the toy to air dry completely after washing or sterilization.
- **Avoid:** Do not use harsh chemicals or abrasive cleaners. Do not machine wash.

TROUBLESHOOTING

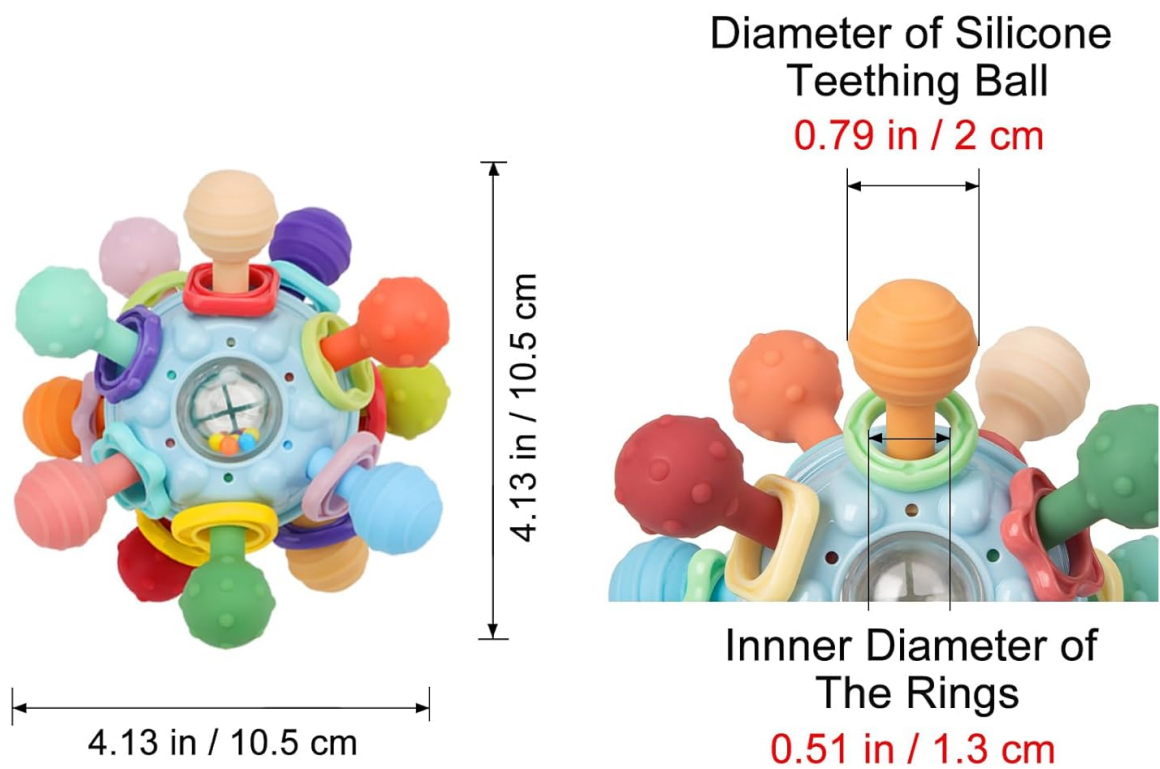

This toy is designed for durability and simplicity. Should you encounter any issues, consider the following:

- **Rattle or Clicking Sound Not Working:** Ensure no foreign objects are lodged in the moving parts. If the internal rattle or twisting mechanism is jammed, gently manipulate the parts. If the issue persists, contact customer support.
- **Water Inside Clear Ball After Cleaning:** If water enters the clear central ball during cleaning, allow it to air dry thoroughly in a well-ventilated area. This is generally not a safety concern if the water is clean and allowed to dry.
- **Toy Appears Damaged:** If any part of the toy is cracked, broken, or shows signs of significant wear, discontinue use immediately to prevent choking hazards or injury.

SPECIFICATIONS

Attribute	Detail
Product Dimensions	4.13 x 4.13 x 2.76 inches (10.5 x 10.5 x 7 cm)
Item Model Number	TOBE-BARA-01
Target Gender	Unisex
Material Type	Plastic, Rubber, Silicone
Material Composition	Silicone
Material Free	BPA Free
Item Weight	0.25 LB (112g)
Batteries Required	No
