2. PRODUCT FEATURES

- **L-Shaped Design:** Optimizes corner space, providing a large operating surface for office, study, or gaming use.
- **Enhanced Stability:** Features an 18.9-inch table depth and 8 steel legs with adjustable leg pads for superior support and stability on uneven floors.
- **Ergonomic Monitor Stand:** Includes a removable monitor stand that can be positioned on the left, middle, or right side of the desk to improve posture and reduce strain during prolonged computer use.
- **Ample Workspace:** Dimensions of 19"D x 51"W x 30"H offer generous space under the desk for comfortable leg room and storage.
- **Durable Construction:** Crafted with a quality waterproof engineered wood board and a powder-coated alloy steel frame for longevity.
- **Carbon Fiber Texture:** The desktop surface features a carbon fiber texture for an enhanced aesthetic and tactile experience.

3. PACKAGE CONTENTS

Please verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

- L-Shaped Desktop Panels (2 sections)
- Steel Frame Legs (8 pieces)
- Crossbars/Support Beams
- Removable Monitor Stand
- Adjustable Foot Pads
- Assembly Hardware (screws, Allen wrench)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have a clear, spacious area for assembly. While assembly can be done by one person, having an additional person may be helpful.

4.1 Step-by-Step Guide

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean

surface to prevent scratches. Identify each part using the provided parts list in your manual.

2. **Attach Legs to Desktop Panels:** For each desktop panel, align the steel frame legs with the pre-drilled holes on the underside of the panel. Secure them using the provided screws and Allen wrench. Ensure screws are tightened firmly but do not overtighten to avoid damaging the wood.
3. **Connect Desktop Sections:** Once the legs are attached to both L-shaped desktop sections, carefully position them to form the corner. Use the connecting plates and screws to join the two sections securely.
4. **Install Crossbars:** Attach the crossbars between the leg frames for added stability. These typically connect to designated holes on the inner sides of the leg structures.
5. **Attach Adjustable Foot Pads:** Screw the adjustable foot pads into the bottom of each leg. These can be adjusted later to level the desk on uneven surfaces.
6. **Place Monitor Stand:** The monitor stand is removable and does not require permanent attachment. Simply place it on the desired section of the desk (left, center, or right) to suit your setup.

4.2 Assembly Tips & Visual Aid

Refer to the video below for a visual demonstration of a common assembly challenge. Pay close attention to how parts are aligned and secured.

Your browser does not support the video tag.

Video: A user demonstrating an issue where a screw does not properly fit into the pre-drilled hole during assembly, highlighting the importance of careful alignment.

Important Note: During assembly, ensure all screws align correctly with the pre-drilled holes. Forcing screws or overtightening can damage the desk material. If a screw does not fit, re-check the alignment of the parts and the screw type. The video above shows an instance where a screw did not align properly, highlighting the importance of careful alignment.

5. USAGE AND OPERATION

5.1 General Use

The AODK L-Shaped Gaming Desk is designed for versatile use in home offices, gaming setups, or study areas. Its L-shape provides ample space for multiple monitors, a computer tower, peripherals, and other work or gaming essentials.

Image: The L-shaped desk integrated into a modern room, demonstrating its suitability for a comprehensive gaming or work setup.

5.2 Removable Monitor Stand

The included monitor stand can be freely placed on any section of the desk to elevate your monitor to an ergonomic viewing height. This flexibility allows you to customize your setup for optimal comfort and to reduce neck and eye strain.

Image: A visual guide demonstrating the versatility of the removable monitor stand, which can be placed anywhere on the desk.

5.3 Adjusting Foot Pads

To ensure the desk is stable and level, adjust the foot pads located at the bottom of each leg. Turn them clockwise to raise the leg or counter-clockwise to lower it until the desk is firm and does not wobble.

6. MAINTENANCE

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the carbon fiber texture and finish.
- **Spills:** In case of spills, wipe them immediately to prevent liquid absorption and potential damage to the engineered wood.
- **Tighten Screws:** Periodically check and tighten all assembly screws to maintain the desk's stability.
- **Avoid Excessive Weight:** Do not place excessively heavy items on the desk, especially on the edges, to prevent warping or structural damage.

7. TROUBLESHOOTING

7.1 Common Issues and Solutions

- **Desk Wobbles:**

- Ensure all screws are securely tightened.
- Adjust the foot pads on each leg to level the desk on uneven flooring.

• **Screws Not Fitting/Stripped Holes:**

- Verify that you are using the correct screws for each part as indicated in the assembly instructions.
- Ensure parts are correctly aligned before attempting to insert screws. Do not force screws.
- If a hole is stripped, contact customer support for assistance.

Your browser does not support the video tag.

Video: A user demonstrating an issue where a screw does not properly fit into the pre-drilled hole during assembly, leading to instability.

• **Gap Between Desktop Panels:**

- Ensure the connecting plates are properly installed and tightened between the two L-shaped sections.
- Check that the desk is placed on a flat, level surface.

8. SPECIFICATIONS

Brand	AODK
Model Name	L Shaped Gaming Desk
Model Number	B01011523USAN0729AQZ5GP7
Product Dimensions	19"D x 51"W x 30"H
Size	51*19 inch
Item Weight	39.6 Pounds
Color	Black
Top Material Type	Engineered Wood
Base Material	Alloy Steel
Finish Type	Powder Coated
Special Feature	L shaped, Removable Monitor Stand
Required Assembly	Yes
