Diyeeni Diyeenidagqr9npox-13

Diyeeni Language Translator Earbuds User Manual

Model: Diyeenidagqr9npox-13

1. INTRODUCTION

Thank you for choosing the Diyeeni Language Translator Earbuds. This device is designed to facilitate real-time communication across language barriers and also functions as a high-quality audio headset. Please read this manual thoroughly before use to ensure proper operation and to maximize your experience.

Image 1.1: Diyeeni Language Translator Earbuds (Blue)

This image displays the two Diyeeni Language Translator Earbuds in their blue color, showcasing their ergonomic design.

2. PACKAGE CONTENTS

Please verify that all items are present in your package:

- Diyeeni Language Translator Earbuds (2 units)
- Charging Case
- USB Charging Cable
- User Manual (this document)

Image 2.1: Earbuds in charging case with USB cable

This image shows the two earbuds securely placed within their open charging case, alongside the included USB charging cable.

3. INITIAL SETUP AND PAIRING

3.1 Charging the Device

Before first use, fully charge the earbuds and the charging case. Connect the provided USB cable to the charging port on the case and a compatible USB power source. The battery level display on the case will indicate charging status.

Image 3.1: Earbuds in charging case showing full battery

This image illustrates the earbuds inside the charging case, with the digital display indicating a 100% charge level for both the case and the earbuds.

3.2 Bluetooth Pairing

1. Ensure the earbuds are charged and placed in the charging case.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your smartphone or tablet, enable Bluetooth and search for available devices.
4. Select "Diyeeni Translator Earbuds" (or similar name) from the list to connect.
5. Once paired, a confirmation sound will be heard, and the earbuds will be ready for use.

This image visually represents the integrated Bluetooth 5.1 chip, highlighting the advanced connectivity technology within the earbuds.

3.3 App Installation

For translation functions, download the dedicated application. Refer to the QR code or link provided in the quick start guide included with your product, or search for the 'Diyeeni Translator' app on your device's app store (compatible with Android and iOS).

4. TRANSLATION OPERATING MODES

The Diyeeni Language Translator Earbuds offer three distinct translation modes:

144 Languages Translator Device

Three Translation Modes

Touch mode: two people each wearing an earphone, click or double click to translate in real time).

External playback mode: one person wears the earphone and one person holds the phone).

Free speaking mode: two people each wear an earphone and translate in real time). Translation speed is only 0.2S.

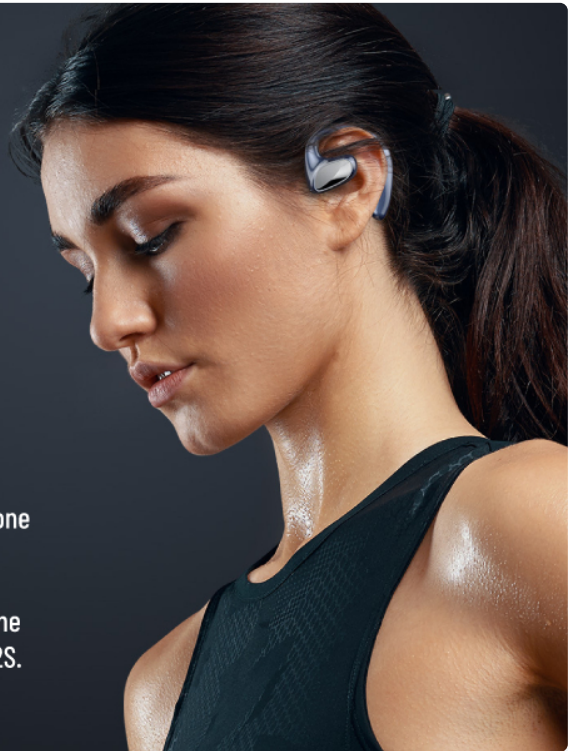

Image 4.1: Overview of translation modes

This image visually explains the three translation modes: Touch mode, External playback mode, and Free speaking mode, with a person wearing an earbud in the background.

4.1 Touch Mode

- **Usage:** Ideal for two individuals engaging in a direct conversation.
- **Procedure:** Each person wears one earbud. To initiate translation, tap or double-tap the earbud. Speak naturally, and the translation will be delivered in real-time to the other person's earbud.

4.2 External Playback Mode

- **Usage:** Suitable for one person wearing an earbud while communicating with a group or another individual who does not have an earbud.
- **Procedure:** One person wears an earbud, and the other person speaks into the smartphone's microphone. The translation is played aloud through the smartphone's speaker.

4.3 Speaking Mode

- **Usage:** For two people each wearing an earbud, allowing for continuous, real-time translation without manual activation for each phrase.
- **Procedure:** Both individuals wear an earbud. The system automatically detects speech and translates it in real-time.

Note: Translation speed is approximately 0.2 seconds, ensuring fluid conversations.

5. MUSIC FUNCTIONALITY

Beyond translation, these earbuds function as standard Bluetooth headphones, compatible with Android and iOS devices. They feature a stereo system and intelligent noise reduction for an enhanced listening experience.

- **Playback Control:** Use the touch controls on the earbuds to manage music playback (e.g., play, pause, skip tracks).
- **Call Management:** Answer or end calls using the touch controls.

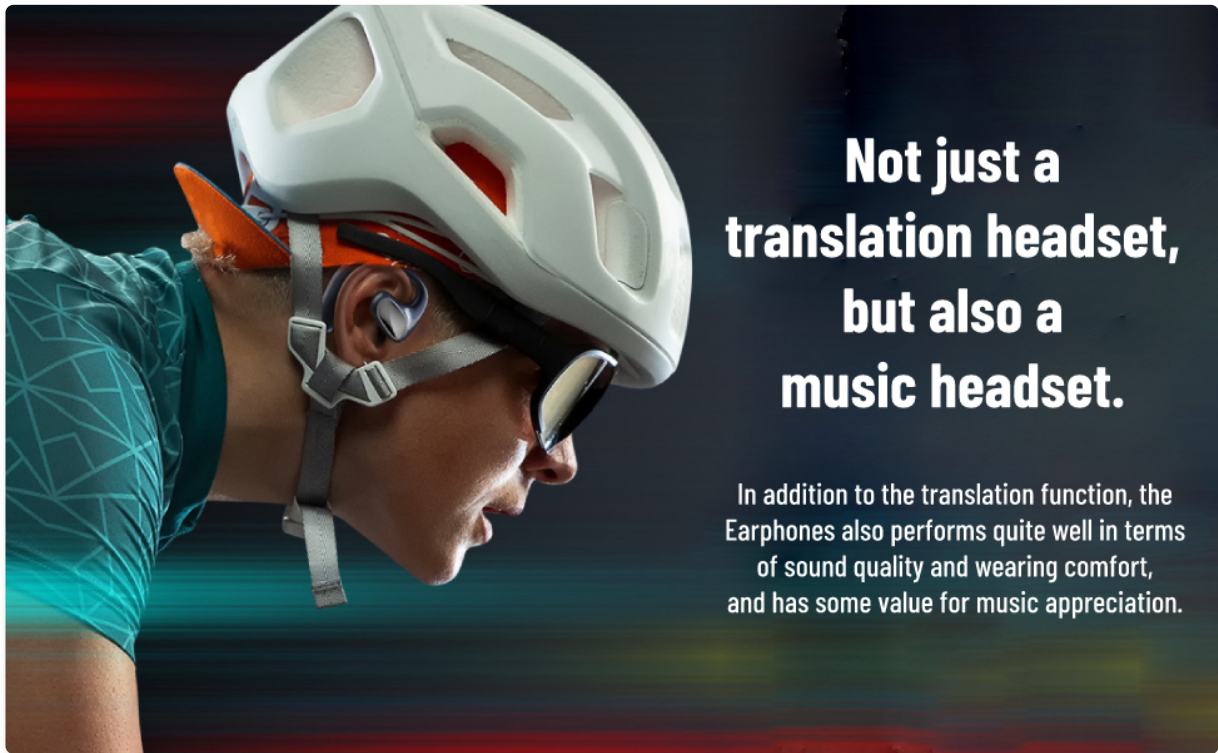

Image 5.1: Earbuds used as music headphones

This image shows a person wearing the earbuds while cycling, emphasizing their dual functionality as both translation and music headphones.

6. CHARGING INSTRUCTIONS

6.1 Charging the Earbuds

Place the earbuds into the charging case. They will automatically begin charging from the case's internal battery. The case's display will show the charging status of each earbud.

6.2 Charging the Case

Connect the USB charging cable to the Type-C port on the back of the charging case and to a standard USB power adapter (not included) or a computer USB port. The digital display on the case will show the battery percentage as it charges.

This image provides a close-up view of the USB Type-C charging port located on the back of the earbud charging case.

7. CARE AND MAINTENANCE

- Clean the earbuds and charging case regularly with a soft, dry cloth.
- Avoid exposing the device to extreme temperatures, moisture, or corrosive substances.
- Store the earbuds in their charging case when not in use to protect them and maintain battery life.
- Do not attempt to disassemble or repair the device yourself, as this will void the warranty.

8. TROUBLESHOOTING

8.1 Earbuds Not Pairing

- Ensure both earbuds are charged.
- Turn off and on your device's Bluetooth.
- Place earbuds back in the case, close, then reopen to re-enter pairing mode.
- Forget the device in your phone's Bluetooth settings and try pairing again.

8.2 Translation Not Working

- Verify that the earbuds are properly connected to the app.
- Check your internet connection; online translation requires a stable connection.
- Ensure the correct source and target languages are selected in the app.

- Speak clearly and at a moderate pace.

8.3 No Sound from Earbuds

- Check the volume level on your connected device.
- Ensure the earbuds are charged and connected.
- Restart your connected device and the earbuds.

9. PRODUCT SPECIFICATIONS

Feature	Specification
Brand	Diyeeni
Model Number	Diyeenidagqr9npox-13
