

HOKA 1127929 BWHT

HOKA ONE ONE Men's Gaviota 5 Sneaker Instruction Manual

Model: 1127929 BWHT

1. PRODUCT OVERVIEW

The HOKA ONE ONE Men's Gaviota 5 Sneaker redefines stability footwear. It incorporates HOKA's innovative H-Frame™ technology, allowing for an exceptionally soft foam experience without compromising essential support. This design ensures inherent stability, making it suitable for various running and walking activities. The shoe features a breathable creel jacquard upper for comfort, an ultra-plush collar for a secure fit, and Bondi-level cushioning to deliver that signature HOKA ride.

2. KEY FEATURES

- **H-Frame™ Technology:** Provides inherent stability without sacrificing cushioning, adapting to various foot types and gaits.
- **Soft Foam Midsole:** Utilizes advanced foam compounds for a plush, comfortable underfoot feel.
- **Breathable Creel Jacquard Upper:** Ensures optimal airflow and a secure, adaptive fit.
- **Ultra-Plush Collar:** Enhances comfort around the ankle, reducing pressure points.

- **Bondi-Level Cushioning:** Delivers a high degree of shock absorption, characteristic of HOKA's most cushioned models.
- **Durable Outsole:** Designed for longevity and reliable traction on road surfaces.

3. SETUP AND FIRST USE

The HOKA ONE ONE Men's Gaviota 5 Sneaker is ready for use right out of the box. Follow these steps for optimal initial experience:

1. **Unboxing:** Carefully remove the sneakers from their packaging. Inspect them for any visible defects or damage.
2. **Initial Try-On:** Wear the sneakers with your preferred athletic socks. Ensure a comfortable fit, with adequate space in the toe box and a secure feel around the midfoot and heel.
3. **Lacing:** Adjust the laces to achieve a snug yet comfortable fit. Avoid overtightening, which can cause pressure points.
4. **Break-in Period:** While HOKA shoes are generally comfortable from the start, a short break-in period of a few short walks or runs is recommended to allow the shoe to conform to your foot.

4. OPERATING AND INTENDED USE

The HOKA ONE ONE Men's Gaviota 5 Sneaker is designed primarily for road running and walking, offering maximum cushioning and stability. It is suitable for daily training, long-distance runs, and recovery runs. Its stable platform also makes it an excellent choice for individuals seeking enhanced support during their activities.

- **Running:** Use for road running on paved surfaces, sidewalks, and light trails.
- **Walking:** Ideal for extended periods of walking, providing comfort and support.
- **General Fitness:** Can be used for various gym activities that do not require specialized footwear (e.g., heavy lifting, highly agile movements).

Always ensure proper lacing and fit before engaging in any activity to prevent discomfort or injury.

5. MAINTENANCE AND CARE

Proper care will extend the life and maintain the performance of your HOKA ONE ONE Men's Gaviota 5 Sneakers.

- **Cleaning:**
 - Remove loose dirt with a soft brush.
 - Clean the upper with a mild soap and cold water solution. Use a soft cloth or sponge.
 - Rinse thoroughly with clean water.
 - Do not machine wash or tumble dry.
- **Drying:**
 - Air dry at room temperature. Avoid direct sunlight or heat sources, which can damage materials.
 - Stuff with paper towels or newspaper to absorb moisture and help maintain shape.
- **Storage:** Store in a cool, dry place away from extreme temperatures.
- **Avoid Harsh Chemicals:** Do not use bleach or strong detergents, as these can degrade the materials.

6. TROUBLESHOOTING

If you encounter any issues with your HOKA ONE ONE Men's Gaviota 5 Sneakers, consider the following common solutions:

Problem	Possible Cause	Solution
Discomfort or rubbing	Incorrect lacing, wrong size, or new shoe break-in.	Adjust lacing for a more comfortable fit. Ensure you have the correct size. Allow for a short break-in period. Consider different sock thickness.
Excessive wear on outsole	Overuse, improper gait, or abrasive surfaces.	Rotate with other shoes to extend lifespan. Consult a running specialist for gait analysis if wear patterns are unusual. Avoid highly abrasive surfaces.

Problem	Possible Cause	Solution
Squeaking noise	Moisture inside the shoe, or friction between components.	Ensure shoes are completely dry before wearing. If persistent, try removing and reinserting the insole.

7. SPECIFICATIONS

Attribute	Detail
Product Name	HOKA ONE ONE Men's Gaviota 5 Sneaker
Model Number	1127929 BWHT
Brand	HOKA
Department	Mens
Product Dimensions	14 x 9 x 5 inches; 3 Pounds
