Kucoele KU129

Kucoele 8 oz Plastic Dessert Cups with Lids and Sporks Instruction Manual (50 Pack)

Model: KU129

INTRODUCTION

Thank you for choosing Kucoele 8 oz Plastic Dessert Cups. This manual provides essential information for the proper use and care of your dessert cups, lids, and sporks. Please read these instructions carefully before first use.

PRODUCT OVERVIEW

The Kucoele 8 oz Plastic Dessert Cups are designed for serving individual desserts, appetizers, and snacks. Each pack contains 50 clear square cups, 50 matching lids, and 50 black sporks.

Components Included:

- 50 x 8 oz Clear Plastic Square Dessert Cups
- 50 x Clear Plastic Lids
- 50 x Black Plastic Sporks

Key Features:

- **Capacity:** 8 fluid ounces (approximately 236 ml)
- **Material:** High-quality PET plastic, food-grade, BPA-free.
- **Design:** Clear, square shape for attractive presentation.
- **Lids:** Feature a buckle design for a secure seal, helping to protect food and maintain freshness.
- **Sporks:** Included for convenient serving and consumption.
- **Stackable:** Designed for easy storage when empty or filled.
- **Versatile:** Suitable for various desserts such as pudding, parfait, fruit, yogurt, mousse, and shortcake.

Good Air Tightness

Protect food and
easy to take away

This image illustrates the key features of the dessert cups, including being BPA-free, crystal clear, reusable or disposable, and having good air tightness.

This image provides detailed dimensions for the 8 oz dessert cup and the accompanying spork, showing measurements in both centimeters and inches.

SETUP AND PREPARATION

1. **Unpack:** Carefully remove all cups, lids, and sporks from their packaging.
2. **Separate Lids:** The lids may be stacked tightly together. Gently twist and pull them apart to ensure you have the correct number for each cup.
3. **Initial Cleaning:** Before first use, hand wash all cups, lids, and sporks with mild soap and warm water. Rinse thoroughly and allow to air dry.

OPERATING INSTRUCTIONS

1. **Fill Cups:** Place your desired dessert, appetizer, or snack into the cup. Ensure not to overfill, leaving enough space for the lid to close securely without compressing the contents.
2. **Attach Lids:** Align the lid with the top of the cup. Press down firmly around the edges until the buckle design engages, creating a secure seal. This helps prevent spills and keeps contents fresh.
3. **Serve:** Use the provided sporks for convenient consumption.
4. **Storage:** Filled and lidded cups can be stacked for efficient storage in a refrigerator.

This image demonstrates the use of the included spork with a layered dessert in the cup.

This image shows a hand holding a filled dessert cup with its lid securely in place, ready for transport or storage.

MAINTENANCE AND CARE

- **Cleaning:** Hand wash only. Use mild soap and warm water. Do not use abrasive cleaners or scrubbers, as these can scratch the plastic.
- **Drying:** Allow all components to air dry completely before stacking or storing.
- **Reuse:** While designed for convenience, these cups can be cleaned and reused multiple times if handled with care.
- **Storage:** Store clean, dry cups, lids, and sporks in a cool, dry place away from direct sunlight. The stackable design helps save space.

TROUBLESHOOTING

Lids are difficult to separate:

Due to manufacturing and packaging, lids may sometimes stick together. Gently twist and pull them apart. Avoid excessive force to prevent damage.

Lids do not seal properly:

Ensure the cup is not overfilled. Align the lid correctly with the cup's rim and press down firmly around all edges until the buckle clicks into place. Check for any debris on the rim that might prevent a proper seal.

SAFETY INFORMATION

- **Food Grade Material:** These cups are made from food-grade, BPA-free PET plastic, safe for direct contact with food.
- **Temperature Limits:** Not microwaveable. Avoid extreme heat, as this can deform the plastic.
- **Dishwasher:** Not dishwasher safe. Hand wash only to maintain product integrity.
- **Children:** Keep sporks away from small children if there is a choking hazard concern.

SPECIFICATIONS

Product Name	Kucoelee 8 oz Plastic Dessert Cups with Lids and Sporks
Model Number	KU129
Capacity	8 fluid ounces (approx. 236 ml)
