SAFETY INFORMATION

To ensure safe use and prevent damage, please observe the following safety guidelines:

- **Assembly:** This desk requires assembly by two people. Do not attempt to assemble alone.
- **Weight Capacity:** Do not exceed a maximum weight of 150 pounds (68 kg) on the desk surface.
- **Stability:** Ensure all screws and fasteners are securely tightened before use. Periodically check for loose connections.
- **Electrical Safety:** Only use the integrated power outlets and USB ports as intended. Do not overload the outlets. Keep liquids away from electrical components.
- **Placement:** Place the desk on a level surface to prevent wobbling. Avoid placing in direct sunlight or near heat sources.
- **Children:** Keep small parts away from children during assembly. This product is suitable for adults, teens, and kids, but adult supervision is recommended during initial setup and for younger users.

PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present and undamaged. Refer to the detailed installation manual included in your package for a complete list of parts and hardware. If any parts are missing or damaged, please contact customer support.

MAINTENANCE

To keep your MOTPK Gaming Desk in optimal condition, follow these maintenance tips:

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the carbon fiber texture.
- **Dusting:** Regularly dust the desk and LED light strip to maintain optimal performance and appearance.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.
- **Cable Management:** Ensure cables are neatly organized and not pinched or strained, which could lead to damage.

TROUBLESHOOTING

If you encounter any issues with your MOTPK Gaming Desk, please refer to the following common solutions:

- **Desk Wobbles:** Check that all leg connections and frame screws are securely tightened. Ensure the desk is on a level surface.
- **LED Lights Not Working:** Verify that the power cable for the LED lights is properly connected to a working power source and the controller. Check if the ON/OFF button has been pressed.
- **Power Outlets Not Functioning:** Ensure the main power cable for the integrated outlets is securely plugged into a wall socket. Check if the wall socket is active. Avoid overloading the outlets.
- **Missing Parts During Assembly:** Double-check the packaging. If parts are genuinely missing, contact MOTPK customer support with your purchase details.

If these steps do not resolve your issue, please contact MOTPK customer support for further assistance.
