Breo Scalp3 Scalp Massaging Brush User Manual

Model: Breo S3

INTRODUCTION

The Breo Scalp3 Scalp Massaging Brush is a versatile device designed for deep scalp massage and hair care. It features a unique oil applicator, shiatsu-like kneading massage, and is IPX7 waterproof for both wet and dry use. This manual provides essential information for the safe and effective operation and maintenance of your device.

SAFETY INFORMATION

- Do not use while bathing or near water.
- Ensure the device is fully charged before first use.
- Keep out of reach of children.
- Do not disassemble or attempt to repair the device yourself.
- Avoid using on irritated, damaged, or sensitive skin. Consult a healthcare professional if you have any scalp conditions.

PRODUCT OVERVIEW

The Breo Scalp3 is designed for ergonomic handling and effective scalp massage. Key components include:

- **Massage Bristles:** 72 bristles designed for 360° kneading massage.
- **Serum Cabin:** A 3ml reservoir for essential oils, allowing for even distribution during massage.
- **Control Button:** For power and mode selection.
- **Charging Port:** Type-C for convenient charging.

SETUP

Charging the Device

1. Locate the Type-C charging port on the device.
2. Connect the provided charging cable to the device and a suitable USB power source.
3. The indicator light will show charging status. A full charge takes approximately 2 hours and provides up to 10 days of use (10 minutes/day).

Adding Essential Oil (Optional)

1. Open the lid of the serum cabin located in the center of the brush head.
2. Add up to 3ml of your preferred essential oil or scalp treatment. Do not overfill.
3. Close the lid securely.

OPERATING INSTRUCTIONS

1. **Power On/Off:** Press and hold the power button to turn the device on or off.
2. **Select Massage Mode:** Briefly press the power button to cycle through the three available modes:
 - **Soothing Mode:** Low speed (70 times/min) for stress soothing.
 - **Refreshing Mode:** Fast speed (90 times/min) for mind focusing.
 - **Relaxing Mode:** Combination of low and fast speed for deep relaxation.
3. **Apply to Scalp:** Gently place the massage brush on your scalp. The 72 bristles will provide a 360° kneading massage.
4. **Oil Distribution:** If essential oil was added, the device will help distribute it evenly across your scalp, enhancing absorption.
5. **Usage Duration:** The device is designed for approximately 10 minutes of use per session.

The Breo Scalp3 can be used on both wet and dry hair.

MAINTENANCE

- **Cleaning:** The IPX7 waterproof design allows for easy cleaning. After each use, clean the storage tank and bristles under running water to remove any residue or oils.
- **Drying:** Ensure the device is thoroughly dried before storing or recharging.
- **Storage:** Store the massager in a cool, dry place, ideally in the provided carrying case, away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

For detailed troubleshooting steps, please refer to the official Troubleshooting Guide (PDF) available at:[Breo Scalp3 Troubleshooting Guide](#).

Common issues and general advice:

- **Device not turning on:** Ensure the device is fully charged. If it still doesn't turn on, try connecting it to a different power source or charging cable.
- **Oil compartment leaking:** Ensure the lid of the serum cabin is securely closed after filling. Do not overfill the compartment.
- **Weak massage:** Check battery level. If fully charged and still weak, contact customer support.
