## GTRACING GT002F

# GTRACING Gaming Chair with Footrest User Manual

Model: GT002F | Brand: GTRACING

## INTRODUCTION

Thank you for choosing the GTRACING Gaming Chair with Footrest. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new chair. Designed for comfort and support during long hours of gaming, studying, or working, this chair combines ergonomic features with durable construction.

## SAFETY INFORMATION

Please read and follow all safety instructions carefully before assembly and use. Failure to do so may result in injury or damage to the product.

- Follow assembly instructions carefully to avoid injury.
- Use caution when handling heavy or sharp components.
- Do not stand on the chair.
- Do not use the chair if any parts are damaged or missing.
- Ensure all bolts and screws are tightened securely before use.
- Keep children and pets away during assembly.

## PRODUCT OVERVIEW AND FEATURES

The GTRACING Gaming Chair is engineered for optimal comfort and performance, featuring a range of adjustable components and high-quality materials.

Figure 2: The gaming chair positioned in a modern home office environment, demonstrating its suitability for various settings.

## Key Features:

- **High-Quality Construction:** Built with a thick padded seat cushion, a wider and thicker built-in metal frame, a heavy-duty base for stability, smooth nylon casters, and premium PU leather.
- **Wide Applications:** Ideal for working, studying, and gaming, providing comfort and support for prolonged use.
- **Multi-Functionality:** Features adjustable armrests, seat height, a large reclining angle (up to 160 degrees), and 360-degree swivel for enhanced flexibility.
- **3D Armrests:** Innovative linked armrests that automatically adjust to any backrest angle, providing constant arm support. The armrest surface is padded with 4cm thickness for optimal comfort.
- **Ergonomic Design:** Sturdy and solid frame firmly supports the head, shoulders, and waist. Includes comfortable backrest and lumbar support to reduce burden on the back.
- **SGS Certified Gas Lift:** Ensures anti-impact, safe, and secure height adjustment. Features an upgraded, reinforced steel tray for exceptional durability.
- **Robust 160° Tilt Stability:** Specially enhanced Gas-Lift base prevents falls, ensuring stability even at maximum recline.

## 3D Armrests

Features innovative linked armrests that automatically adjust to any backrest angle, ensuring constant arm support. The armrest surface is padded with a 4cm thickness, providing optimal comfort during extended gaming sessions and alleviating pressure points on your arms.

Figure 3: Illustration of the 3D adjustable armrests, highlighting their multi-directional movement for personalized comfort.

A collage of four images illustrating the chair's ergonomic features. 1. A side view of the chair with a glowing blue silhouette of a human spine, highlighting the lumbar support. 2. A front view of the chair. 3. A man sitting at a desk in the chair, facing a computer monitor. 4. A side view of the chair with a height adjustment range indicator showing 17 inch to 21 inch.

### Ergonomic Design

Sturdy and solid frame, firmly supporting the head, shoulders and waist

### Comfortable backrest

About 32 inch backrest, perfect support from the waist to the head

### Lumbar Support

Adjust sitting posture to reduce the burden on the back

### Designed for American Sizes

Seat height adjustment range of 17-21 Inch, designed for the American body type

## SETUP AND ASSEMBLY

The GTRACING Gaming Chair is designed for straightforward assembly. A detailed instruction manual with all necessary accessories is included in the packaging to guide you through each step.

1. Unpack all components and verify against the parts list provided in the assembly guide.
2. Follow the step-by-step instructions for attaching the base, casters, gas lift, seat, backrest, and armrests.
3. Ensure all screws and bolts are securely tightened using the provided tools.
4. Test the chair's stability and all adjustable functions before regular use.

## OPERATING INSTRUCTIONS

Familiarize yourself with the chair's adjustment mechanisms to optimize your comfort and support.

- **Seat Height Adjustment:** Locate the lever on the right side beneath the seat. Pull the lever upwards to raise the seat. To lower, pull the lever upwards while seated.
- **Backrest Recline:** Use the lever on the left side beneath the seat to adjust the backrest angle. Pull the lever to unlock and recline, then release to lock in desired position. The chair reclines up to 160 degrees.
- **Armrest Adjustment:** The 3D armrests can be moved in multiple directions (up/down, inward/outward rotation,

forward/backward) to find your preferred position.

- **Footrest Operation:** Pull the footrest out from underneath the seat when desired. Push it back in to retract.

- **Swivel Function:** The chair features a 360-degree swivel for easy movement and access.

## PRODUCT DIMENSIONS

Figure 5: Detailed product dimensions, including seat height range (17-21 inches) and overall chair measurements.

Figure 6: Close-up view of the adjustment levers located beneath the seat, controlling recline and lift functions.

## MAINTENANCE

Proper maintenance will extend the life and appearance of your GTRACING Gaming Chair.

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Regular Checks:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary.
- **Caster Care:** Keep casters free of debris to ensure smooth movement and prevent floor damage.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the PU leather to fade or crack.

## TROUBLESHOOTING

If you encounter any issues with your chair, refer to the common solutions below.

- **Chair Does Not Adjust Height:** Ensure the gas lift lever is fully engaged. If the issue persists, the gas lift cylinder may need

replacement.

- **Chair Wobbles:** Check that all screws connecting the base, gas lift, and seat are securely tightened. Ensure the casters are properly inserted.
- **Squeaking Noises:** Apply a small amount of lubricant to moving parts, such as the tilt mechanism or caster stems.
- **Footrest Difficult to Extend/Retract:** Check for any obstructions. Ensure the mechanism is clean and free of debris.
