## SAFETY WARNINGS

---

- **Adult Supervision Required:** This toy must be used under the direct supervision of an adult at all times.
- **No Brakes:** This ride-on car does not have brakes. Be aware of the risk of accidents and injuries.
- **Avoid Public Areas:** Do not use this toy on public transport surfaces, roads, or in traffic. Use only in safe, private areas.
- **Weight Limit:** Do not exceed the maximum weight capacity of 20 kg.
- **Age Range:** Suitable for children aged 12 months to 3 years.
- **Choking Hazard:** Keep small parts away from young children during assembly and ensure all components are securely fastened.
- **Battery Safety:** Ensure batteries are inserted correctly according to polarity. Do not mix old and new batteries or different types of batteries. Remove exhausted batteries promptly.

## PACKAGE CONTENTS

---

Please check the package contents against the list below. If any parts are missing or damaged, contact your retailer.

- JAMARA 464002 Ride-On Car Model

## SETUP AND ASSEMBLY

Assembly typically takes approximately 15 minutes. Follow the instructions provided in the included manual for detailed steps.

### Battery Installation

- The ride-on car requires 4 AA batteries (LR6 alkaline or HR6 NiMH).
- Locate the battery compartment, usually under the seat or on the steering wheel.
- Insert the batteries, ensuring correct polarity (+/-).
- Securely close the battery compartment.

## OPERATING INSTRUCTIONS

---

The JAMARA 464002 Ride-On Car offers several interactive features for an engaging play experience.

- **Steering Wheel Functions:**
  - **Horn:** Press the designated button on the steering wheel to activate the horn sound.
  - **Music:** Press the music button on the steering wheel to play various melodies.
  - **Engine Sound:** Activate the engine sound by pressing the start button.
- **Push and Hold Bar:** The removable push and hold bar allows an adult to steer and guide the ride-on car. It also features a backrest and side protection for the child.
- **Foldable Seat:** The seat can be folded to reveal a storage compartment underneath, perfect for small toys.

- **LED Lights:** The front and rear LED lights illuminate during operation, enhancing realism.
- **Anti-Tip Protection:** The design includes anti-tip protection for enhanced safety.

## MAINTENANCE

- **Cleaning:** Wipe the ride-on car with a damp cloth and mild soap. Do not use abrasive cleaners or solvents.
- **Storage:** Store the toy in a dry place, away from direct sunlight and extreme temperatures.
- **Battery Care:** Remove batteries if the toy will not be used for an extended period to prevent leakage.
- **Inspection:** Regularly check all screws, bolts, and connections to ensure they are tight and secure.

## TROUBLESHOOTING

- **No Sound/Lights:** Check if the batteries are correctly installed and not depleted. Replace batteries if necessary.
- **Difficulty Steering:** Ensure the push and hold bar is correctly attached and functioning. Check for any obstructions in the steering mechanism.
- **Loose Parts:** If any parts feel loose, tighten them securely. If a part is broken, discontinue use and contact support.
