## MAINTENANCE AND CARE

To ensure the longevity of your Littlest Pet Shop figures, follow these care guidelines:

- **Cleaning:** Wipe pets gently with a soft, dry cloth to remove dust. For stubborn dirt, use a slightly damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals.
- **Storage:** Store pets in a clean, dry place away from direct sunlight and extreme temperatures to prevent discoloration or material degradation.

- **Handling:** Handle pets by their bodies, not just their heads, to avoid stressing the bobble-head mechanism.
- **Small Parts:** Keep small accessories with their respective pets to prevent loss.

## TROUBLESHOOTING

If you encounter any issues with your Littlest Pet Shop figures, consider the following:

- **Bobble-Head Not Bobbling:** Ensure no foreign objects are obstructing the spring mechanism. Gently tap the head to initiate movement. Avoid forcing the head.
- **Lost Accessory:** Small accessories can be easily misplaced. Store them securely when not in use. Replacement accessories are generally not available separately.
- **Virtual Code Issues:** If your virtual code does not work, double-check that it is entered correctly. Ensure you are visiting the official Littlest Pet Shop virtual experience website. If problems persist, contact customer support.
- **Paint Imperfections:** Minor paint variations can occur during manufacturing. These are typically cosmetic and do not affect the functionality of the toy.
