### 1. Introduction

---

Thank you for choosing the WOWLIVE Double Laundry Hamper with Lid and Wheels. This product is designed to simplify your laundry routine by providing an organized and efficient solution for sorting and transporting clothes. Its robust construction and thoughtful features ensure durability and convenience in any home setting.

This laundry hamper features a sturdy iron frame, a durable wooden top shelf, and two removable Oxford fabric bags. With a generous 110L capacity, it is ideal for managing a family's daily laundry. The design includes practical elements such as side pockets for accessories, and versatile base options with either adjustable feet for stability or brake wheels for easy mobility.

## 2. Safety Information

---

- Read all instructions carefully before assembly and use.
- Keep small parts away from children during assembly to prevent choking hazards.
- Ensure all screws and fasteners are securely tightened before use. Periodically check for loose connections.
- Do not overload the hamper or the top shelf beyond its stated capacity to prevent damage or injury.
- Use the brake wheels when the hamper needs to remain stationary to prevent accidental movement.
- Avoid placing hot items directly on the wooden top shelf.

## 3. Package Contents

---

Please verify that all components are present before beginning assembly:

- Metal Frame Components
- Wooden Top Shelf (2 pieces)
- Removable Oxford Fabric Laundry Bags (2 pieces, Black and Beige)

- Side Storage Pockets (1 piece)
- Hooks (2 pieces)
- Brake Wheels (4 pieces) or Adjustable Feet (4 pieces) - depending on chosen configuration
- Assembly Hardware (screws, wrench)
- Instruction Manual

## 4. Setup & Assembly

---

The WOWLIVE Double Laundry Hamper is designed for easy assembly. Follow the detailed instructions provided in the included user manual for quick and straightforward setup. All accessories are coded and marked for clear identification.

### Assembly Steps:

1. Unpack all components and verify against the package contents list.
2. Assemble the metal frame according to the diagrams in the user manual. Ensure all connections are secure.
3. Attach the wooden top shelf pieces to the assembled frame.
4. Install either the brake wheels or the adjustable feet to the bottom of the frame, depending on your preference for mobility or stationary use.
5. Attach the side storage pockets and hooks to the designated areas on the frame.
6. Insert the removable Oxford fabric laundry bags into their respective compartments. Secure them using the Velcro fasteners along the top edges.

Two Removable Liner Bags

**Max Capacity : 110 L**

## 5. Operating Instructions

---

### Using the Laundry Bags:

- The hamper includes two separate bags, allowing you to sort laundry into darks and lights, or other categories, as you place them in the hamper.
- Each bag is equipped with Velcro fasteners to secure it to the frame. When full, simply detach the Velcro and lift the bag using its integrated handles for easy transport to your washing machine.

# Pull-Out Laundry Bags for storage

When in use, the laundry bag can be easily removed.

## Top Shelf Functionality:

- The sturdy wooden top shelf provides additional storage space for laundry essentials such as detergent, fabric softener, or folded clothes.
- It can also serve as a convenient surface for folding laundry.

Figure 4: The wooden top shelf provides convenient storage and folding space.

## Mobility and Stability:

- If equipped with wheels, the hamper can be easily rolled from room to room. Engage the brake wheels when you need the hamper to stay in place.
- If using adjustable feet, ensure they are properly adjusted to provide maximum stability on uneven

surfaces.

### Side Pockets and Hooks:

- The attached side pockets are perfect for storing smaller laundry accessories like stain removers, dryer sheets, or lint rollers.
- Use the integrated hooks for hanging items such as towels or delicates.

## 6. Maintenance

### Cleaning the Laundry Bags:

- The Oxford fabric laundry bags are removable and can be hand-washed.
- Use mild soap and cold water. Air dry completely before reattaching to the frame.
- Do not machine wash or tumble dry, as this may damage the fabric or Velcro.

### Cleaning the Frame and Shelf:

- Wipe the metal frame and wooden top shelf with a soft, damp cloth.
- Avoid using abrasive cleaners or harsh chemicals, which can damage the finish.
- Ensure all surfaces are dry after cleaning to prevent rust or water damage.

## 7. Troubleshooting

---

### Hamper is unstable or wobbly:

- Check all assembly screws and ensure they are tightened securely.
- If using adjustable feet, ensure they are evenly extended to compensate for uneven flooring.
- If using wheels, ensure the brake mechanisms are not partially engaged, which can cause unevenness.

### Laundry bags detach easily:

- Ensure the Velcro fasteners are fully engaged along all attachment points.
- Avoid overloading the bags beyond their capacity, as this can strain the fasteners.

## 8. Specifications

---
