Setup

1. **Unboxing:** Carefully open the packaging. The toy is secured within a clear plastic shell inside the cardboard box.
2. **Remove Plastic Film:** Gently remove the plastic film or ties securing the motorcycle within its packaging.
3. **Attach Display Stand (Optional):** The motorcycle comes with a separate display stand. To attach, align the motorcycle's underside with the stand's slot and slide it into place. The stand is designed to hold the motorcycle upright for display.

Operating

This product is a replica toy and does not require batteries or complex operation. It is designed for imaginative play or as a collectible display item.

- **Play:** The wheels are free-rolling, allowing the motorcycle to be pushed and moved across surfaces.
- **Display:** Use the included stand to showcase the motorcycle on a flat surface. The stand can be easily removed if desired for play.

Maintenance

- **Cleaning:** Wipe the motorcycle with a soft, dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the toy in a cool, dry place away from direct sunlight to prevent fading or material degradation.

Troubleshooting

If you encounter any issues with your product, please refer to the following common solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Motorcycle does not stand upright on its own.	The display stand is not attached or is incorrectly attached.	Ensure the display stand is securely attached to the underside of the motorcycle.
Wheels do not roll smoothly.	Dust or debris may be caught in the axle.	Carefully inspect the wheels and axles for any obstructions and remove them.
