UGREEN B0CDBXLB84

UGREEN Fun+Kit Wireless Keyboard and Mouse User Manual

Model: B0CDBXLB84

Product Overview

The UGREEN Fun+Kit is a versatile wireless keyboard and mouse combo designed for enhanced productivity and comfort. It offers multiple connectivity options, including 2.4GHz wireless and Bluetooth, and is compatible with a wide range of operating systems.

Image: The UGREEN Fun+Kit wireless keyboard and mouse set, featuring a pastel pink and blue keyboard, a matching pink mouse, and a small USB receiver. This image provides a general overview of the product components.

Package Contents

- UGREEN Fun+Kit Wireless Keyboard
- UGREEN Fun+Kit Wireless Mouse

- USB 2.4GHz Receiver
- USB-C Charging Cable (for keyboard)
- User Manual (this document)

Please ensure all items are present before proceeding with setup.

Setup and Connectivity

1. Powering On and Charging

The keyboard is rechargeable via a USB-C port. Connect the provided USB-C cable to the keyboard and a power source (e.g., computer USB port, USB wall adapter) to charge. The mouse requires one AA battery (not included).

Image: Underside view of the keyboard highlighting the "System Switch" and "Power Switch" for easy identification during setup.

Locate the power switch on the back of the keyboard and slide it to the "On" position. For the mouse, insert the AA battery and ensure its power switch is also in the "On" position.

2. Connection Modes

The UGREEN Fun+Kit supports three connection methods: 2.4GHz wireless, Bluetooth, and wired (keyboard only).

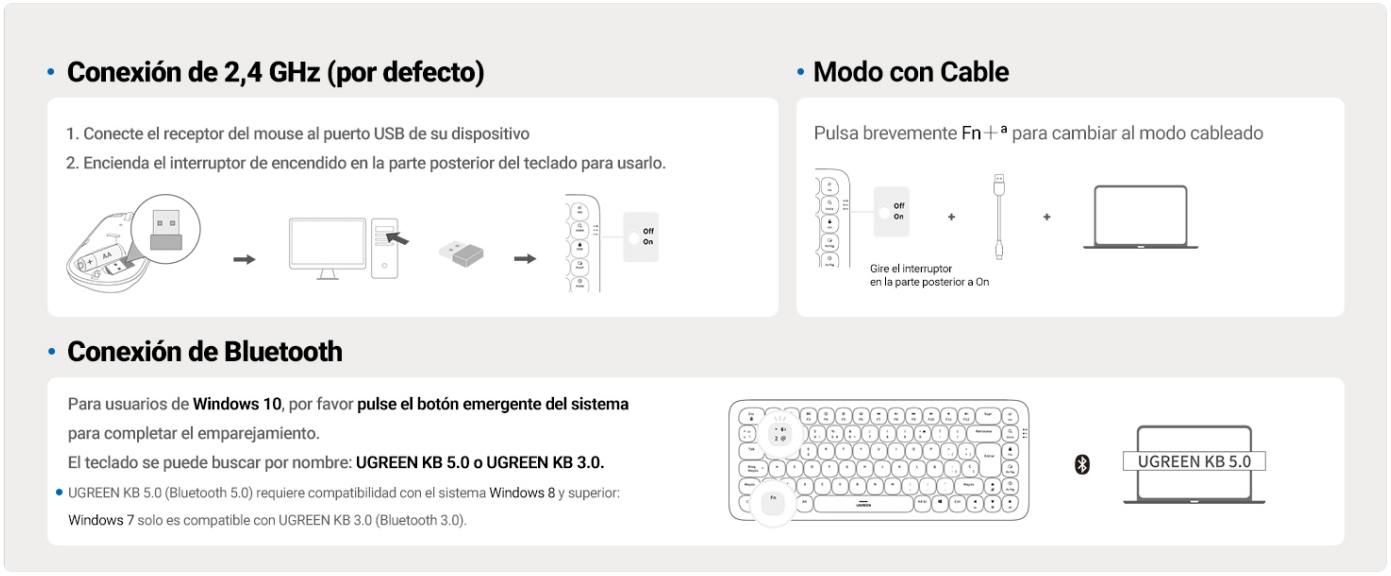

Image: A detailed diagram illustrating the three connection modes: 2.4GHz wireless (default), wired connection for the keyboard, and Bluetooth pairing instructions for various operating systems.

2.1. 2.4GHz Wireless Connection (Default)

1. Connect the USB 2.4GHz receiver to an available USB port on your device (desktop, laptop, tablet).
2. Ensure the power switch on both the keyboard and mouse is in the "On" position.
3. The devices should automatically connect.

2.2. Bluetooth Connection

For Bluetooth pairing, ensure the keyboard's system switch is set to the correct operating system (Windows/Android or macOS/iOS).

- **For Windows 10 users:** Please click the system pop-up button to complete pairing.
- The keyboard can be searched by name: **UGREEN KB 5.0** or **UGREEN KB 3.0**.
- UGREEN KB 5.0 (Bluetooth 5.0) requires Windows 8 and above.
- Windows 7 is only compatible with UGREEN KB 3.0 (Bluetooth 3.0).

- For other operating systems (macOS, Linux, Android, iOS), navigate to your device's Bluetooth settings and select "UGREEN KB" or similar from the list of available devices to pair.

2.3. Wired Mode (Keyboard Only)

To use the keyboard in wired mode, connect it to your device using the USB-C cable. Briefly press the **Fn + ~** keys to switch to wired mode.

Operating Instructions

Keyboard Features

- **85-Key Spanish Layout:** The keyboard features a compact 85-key layout with Spanish characters, optimized for efficient typing.

Image: Top-down view of the UGREEN keyboard, clearly showing its 85-key layout with Spanish characters and symbols.

- **Backlight Customization:** Personalize your typing experience with 4 levels of brightness and 15 different light effects. Use the dedicated backlight control keys to cycle through modes and adjust intensity.

Image: The keyboard illuminated with its customizable backlight, demonstrating one of the available light effects.

- **Ergonomic Design:** The keyboard is designed with a 7-degree ergonomic angle to provide a comfortable typing experience and reduce hand fatigue during prolonged use.

Mouse Features

- **Silent Click:** The mouse is designed with silent click buttons to minimize noise during use.
- **Adjustable DPI:** Customize your cursor sensitivity with adjustable DPI settings: 1000, 1600, 2000, and 4000 DPI. Use the DPI button on the mouse to cycle through settings.

Maintenance

- **Cleaning:** Use a soft, dry cloth to clean the keyboard and mouse. Avoid using harsh chemicals or abrasive materials.
- **Battery Care:**
  - For the keyboard, recharge it regularly to maintain optimal battery life.
  - For the mouse, replace the AA battery when performance degrades.
- **Storage:** Store the devices in a cool, dry place away from direct sunlight and extreme temperatures.

Troubleshooting

- **Device Not Connecting:**
  - Ensure both the keyboard and mouse are powered on.

- Check if the USB receiver is securely plugged into your device for 2.4GHz connection.
- For Bluetooth, ensure Bluetooth is enabled on your device and the devices are in pairing mode. Try re-pairing the devices.
- Verify that the keyboard's system switch is set correctly for your operating system.

- **Mouse Not Responding via Bluetooth (iPhone example from review):**
  - If experiencing issues with Bluetooth connectivity, especially with certain mobile devices, try using the 2.4GHz USB adapter as an alternative connection method.
- **Keyboard Backlight Not Working:**
  - Ensure the keyboard is sufficiently charged.
  - Press the backlight control keys to cycle through brightness levels and effects.
- **Keys or Mouse Buttons Unresponsive:**
  - Check battery levels for both devices.
  - Try reconnecting the devices (unplug/replug USB receiver, re-pair Bluetooth).
  - Ensure no debris is lodged under the keys or mouse buttons.

Specifications

Brand	UGREEN
Model	B0CDBXLB84
Connectivity Technology	Bluetooth, 2.4GHz Wireless (Wifi)
Keyboard Layout	85-key Spanish, Ergonomic, Programmable
Mouse DPI Settings	1000/1600/2000/4000
Power Source	Keyboard: Rechargeable (USB-C); Mouse: AA Battery (not included)
