SANODESK B0F2DW8QCB

SANODESK 4-Leg Electric Height Adjustable Standing Desk User Manual

Model: B0F2DW8QCB

INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your SANODESK 4-Leg Electric Height Adjustable Standing Desk. Please read this manual thoroughly before use to ensure safe and efficient operation.

Image: The SANODESK 4-Leg Electric Height Adjustable Standing Desk, featuring a black desktop and sturdy black legs.

IMPORTANT SAFETY INFORMATION

- Always follow assembly instructions carefully.
- Do not exceed the maximum weight limit of 220 lbs (100 kg) for the desk surface.
- Ensure the desk is placed on a level surface to prevent tipping.
- Keep hands and fingers clear of all moving parts during height adjustment to prevent injury.
- Do not allow children to operate the desk without adult supervision.
- Disconnect power before cleaning or performing maintenance.

SETUP AND ASSEMBLY

The SANODESK is designed for straightforward assembly. Refer to the included assembly guide for detailed, step-by-step instructions. Ensure all components are present before beginning assembly.

Digital Keypad

Multi-functional with simple operation

Image: A diagram illustrating the dimensions of the desk, including desktop size (55.1"x27.5") and adjustable height range (28.7" to 47.2").

Key Assembly Points:

- The desktop consists of three spliced panels, designed to simplify installation.
- The robust four-legged carbon steel frame provides enhanced stability.
- Connect the power cable to a suitable power outlet after assembly is complete.

OPERATING INSTRUCTIONS

Digital Keypad

The desk features a multi-functional digital keypad for easy height adjustment and memory presets.

Image: A detailed view of the digital keypad, showing the display, up/down arrows, and memory preset buttons (1, 2, 3, M).

- **Up/Down Arrows:** Press and hold the up or down arrow to smoothly adjust the desk height to your desired position. The current height is displayed on the digital screen.
- **Memory Presets (1, 2, 3):** To save a height setting, adjust the desk to the desired height, then press the 'M' button followed by one of the numbered preset buttons (1, 2, or 3). To recall a saved height, simply press the corresponding numbered button.

Image: The digital control panel, illustrating the preset buttons for remembering favorite desk heights.

Anti-Collision System

The desk is equipped with a collision avoidance feature. If the desk encounters an obstruction during height adjustment, it will automatically stop and reverse slightly to prevent damage or injury.

Image: A visual representation of the anti-collision system, showing the desk detecting and preventing collisions with objects.

CARE AND MAINTENANCE

- Clean the desk surface with a soft, damp cloth. Avoid abrasive cleaners.
- Regularly check all screws and bolts to ensure they are tight. Retighten if necessary.
- Keep the electrical components dry and free from dust.

TROUBLESHOOTING

- **Desk not adjusting:** Check if the power cable is securely plugged in. Ensure no obstructions are blocking the desk's movement.
- **Uneven adjustment:** If the desk adjusts unevenly, ensure all legs are properly assembled and tightened. Refer to the assembly guide for recalibration instructions if available.
- **Unusual noises:** Minor operational sounds are normal. If loud or persistent grinding noises occur, discontinue use and contact customer support.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	SANODESK
Model	B0F2DW8QCB
Desk Design	Standing Desk
Product Dimensions	28"D x 55"W x 28.7"H
Adjustable Height Range	28.7" to 47.2"
Color	Black
