Sew Ready Folding Craft Armoire Cabinet Model 13387 User Manual

Multipurpose Workstation with Drop-Leaf Table

INTRODUCTION

This manual provides essential information for the safe and efficient use of your Sew Ready Folding Craft Armoire Cabinet, Model 13387. This versatile unit is designed to transform small spaces into functional workstations, offering both storage and a collapsible work surface. Please read these instructions thoroughly before using the product.

The armoire features a drop-leaf tabletop and internal shelving for organizing crafting or productivity tools. Its construction includes a powder-coated alloy steel frame for durability, adjustable leg levelers, and a locking caster-leg for stability. The unit is designed for various uses, including sewing, crafting, or as a compact office desk.

SAFETY INFORMATION

- **Maximum Load Capacity:** Do not exceed a maximum load capacity of 25 pounds (11.3 kg) on the drop-leaf table. Exceeding this limit may result in damage to the product or injury.
- Ensure the unit is placed on a stable, level surface. Use the adjustable leg levelers to prevent wobbling.
- Always engage the locking caster-leg when the drop-leaf table is extended and in use to ensure stability.
- Keep fingers clear of moving parts when opening or closing the drop-leaf table and cabinet doors.
- Do not allow children to climb on or play with the armoire.
- Distribute weight evenly across shelves and the tabletop to maintain balance.

PACKAGE CONTENTS

The Sew Ready Folding Craft Armoire Cabinet (Model 13387) is designed for immediate use and requires no assembly. It arrives as a single, fully assembled unit.

- 1 x Fully Assembled Craft Armoire Cabinet

- Integrated Shelves
- Adjustable Feet
- Wheeled Base with Locking Caster

SETUP

The Sew Ready Folding Craft Armoire Cabinet comes pre-assembled, simplifying the setup process.

1. **Unpack the Unit:** Carefully remove the armoire from its packaging.
2. **Position the Armoire:** Roll the armoire to your desired location. The integrated wheels allow for easy mobility.
3. **Level the Unit:** Use the adjustable feet to ensure the armoire is stable and level on uneven floors.
4. **Secure the Caster:** Engage the lock on the caster-equipped swing-leg to prevent unintended movement, especially when the drop-leaf table is extended.

OPERATION

Opening the Armoire and Drop-Leaf Table

1. **Open Top Cabinet Doors:** Gently pull the two top cabinet doors open. They are secured by a magnetic latch.
2. **Extend Drop-Leaf Table:** Locate the drop-leaf tabletop. Carefully lift and extend it outwards.
3. **Secure Support Leg:** Swing the support leg (with the locking caster) into position underneath the extended tabletop. Ensure it is fully extended and locked for maximum stability.
4. **Open Bottom Panel:** The bottom panel can be opened to reveal additional shelving.

Closing the Armoire

1. **Retract Support Leg:** Unlock and fold the support leg back into its stored position.
2. **Fold Drop-Leaf Table:** Gently fold the drop-leaf tabletop upwards and inwards until it is flush with the main cabinet.
3. **Close Cabinet Doors:** Close the top cabinet doors, ensuring they latch magnetically. Close the bottom panel.

MAINTENANCE

To ensure the longevity and appearance of your Sew Ready Folding Craft Armoire Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Tighten if necessary.
- **Casters:** Keep the caster wheels free of debris to ensure smooth movement.
- **Storage:** When not in use, keep the armoire closed to protect its contents and maintain a tidy appearance.

TROUBLESHOOTING

If you encounter any issues with your Craft Armoire, consider the following:

- **Wobbling:** Ensure the armoire is on a level surface. Adjust the leg levelers as needed. Confirm the locking caster-leg is fully engaged when the table is extended.
- **Difficulty Moving:** Check caster wheels for any obstructions or debris. Ensure the caster lock is disengaged before attempting to move the unit.
- **Doors Not Closing Properly:** Verify that no items are obstructing the doors or hinges. Check if the magnetic latches are aligned and functioning.
