## OKD FHC70FP42

# OKD Fireplace TV Stand User Manual

Model: FHC70FP42 | Brand: OKD

## INTRODUCTION

---

This user manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your OKD Fireplace TV Stand. Designed to accommodate up to an 80-inch TV, this farmhouse-style entertainment center features a 42-inch electric fireplace with LED lights, storage drawers, and cabinets, enhancing your living space with both style and functionality.

## SAFETY INFORMATION

---

- Read all instructions carefully before assembly and operation.
- Keep children and pets away from the fireplace unit during operation.
- Ensure the power cord is not pinched or routed under the unit.
- Do not overload electrical outlets.
- Do not block the air vents of the fireplace.
- This unit is designed for indoor use only.
- The unit will be delivered in two separate parcels and may arrive on different days. Please ensure all packages are received before beginning assembly.

## PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The product is shipped in two separate packages.

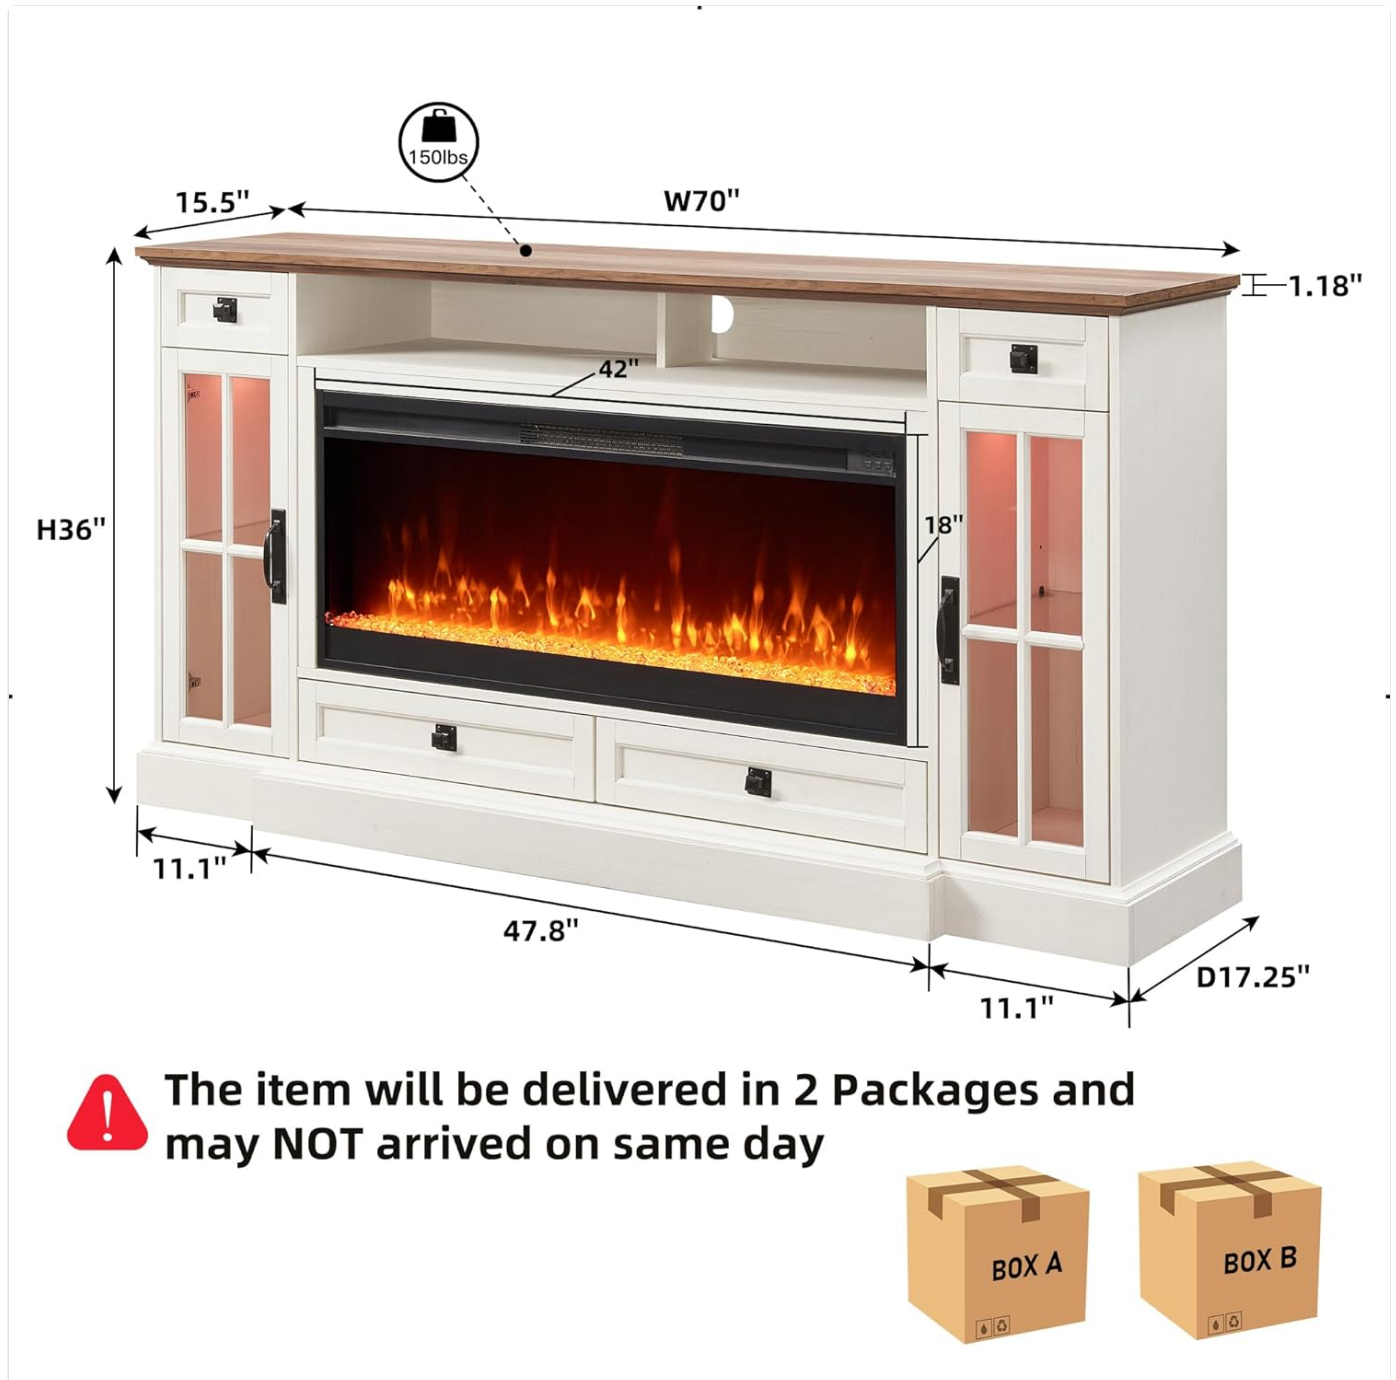

Image: A diagram illustrating the overall dimensions of the TV stand (70"W x 36"H x 17"D) and a warning that the item will be delivered in two separate packages, labeled Box A and Box B, which may not arrive on the same day.

The package includes pre-cut and precisely manufactured components for hassle-free assembly. Refer to the included assembly guide for a detailed list of parts and hardware.

## SETUP AND ASSEMBLY

Assembly of the OKD Fireplace TV Stand is designed to be straightforward with pre-drilled holes and clear instructions. It is recommended to have two people for assembly.

### Required Tools (Not Included):

- Phillips head screwdriver

- Hammer (optional, for dowels)

## Assembly Steps:

1. Unpack all components and verify against the parts list in the separate assembly manual.
2. Identify and separate the hardware.
3. Follow the step-by-step diagrams and instructions provided in the dedicated assembly manual.
4. Assemble the main frame of the TV stand first.
5. Install the 42-inch electric fireplace insert into the designated opening.
6. Attach the storage drawers and cabinet doors. The cabinet doors feature subtle etched, geometric-inspired silhouettes.
7. Ensure all connections are secure and the unit is stable before placing a television or other items on it.

## OPERATING INSTRUCTIONS

### Electric Fireplace Operation:

The 42-inch electric fireplace provides both ambiance and heat, controlled via the included remote control.

- **Power:** Press the power button on the remote or unit to turn the fireplace ON/OFF.
- **Flame Colors:** Cycle through 7 adjustable flame color options to customize the ambiance. The pellucid crystal ember bed enhances the realistic fire effect.
- **Ember Bed Colors:** Select from 7 adjustable LED lighting colors for the ember bed and cabinets, providing a captivating atmosphere.
- **Heat Function:** The fireplace delivers 5000 BTU per hour, capable of heating up to 400 square feet. Heat is concentrated through the upper air-vent.
- **Timer:** Set the operational timer from 1 to 8 hours.
- **Overheat Protection:** The unit includes an overheat protection feature for safety.
- **Noise:** The fireplace operates without significant noise.

**Choose the flame and crystal ember bed colors you like**

 **Timer 1-8 Hours**

 **Overheat Protection**

 **Heat up 400 square feet**

 **Super infra remote control**

 **Fireplace without any noise**

**7 Ember Bed Colors**

## Storage Features:

- The console table includes 4 sliding drawers for concealed storage.
- Two visible cabinets with adjustable shelves provide additional storage and display space.
- Integrated wire management helps keep cables organized and out of sight.

## MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fireplace Unit:** Ensure the fireplace is off and unplugged before cleaning. Dust the vents regularly to maintain proper airflow.
- **General Care:** Periodically check all screws and connections to ensure they remain tight.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Fireplace does not turn on.	No power, remote battery low, unit switch off.	Check power connection. Replace remote batteries. Ensure main power switch on unit is ON.
No heat output.	Heat function not activated, thermostat setting too low.	Activate heat function via remote. Increase thermostat setting.
Remote control not working.	Batteries dead, obstruction, remote out of range.	Replace batteries. Remove obstructions. Ensure remote is within operating range.
Unit unstable after assembly.	Loose connections, uneven floor.	Re-tighten all screws. Adjust furniture levelers if present, or place shims under the base.
