SETUP AND ASSEMBLY

Assembly is required for this product. The process involves aligning and securing the feet of the table and chairs. No professional assistance is typically needed.

- 1. Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
- 2. Identify Parts:** Refer to the parts list provided in your package to identify all table and chair components, including hardware.
- 3. Assemble Chairs:**
 - Attach the chair legs to the seat frame.
 - **Important:** Pay close attention to the orientation of the chair legs. Incorrect direction will prevent proper connection to the backrest. Ensure the legs are positioned correctly (refer to diagram below).
 - Secure the backrest to the assembled seat and legs.

4. Assemble Table:

- Attach the table legs to the tabletop.
- Ensure all screws and fasteners are tightened securely, but do not overtighten.
- Install the built-in wine rack/shelf between the table legs.

5. Final Check:

Once assembled, gently shake the table and chairs to ensure stability. Retighten any loose connections if necessary.

Troubleshooting Assembly Issues: Some users have reported alignment issues with holes, nuts coming out, bent holes, and difficulty driving screws. If you encounter these problems:

- **Alignment Issues:** Double-check that you are using the correct parts for each step and that they are oriented correctly. Sometimes, slightly loosening adjacent screws can help align a stubborn hole before retightening everything.
- **Loose Nuts/Bent Holes:** If a nut is not holding or a hole appears bent, inspect the component for manufacturing defects. If defective, contact JUMMICO customer support for replacement parts. Do not force components that do not fit.

- **Difficulty Driving Screws:** Ensure you are using the correct tool and applying even pressure. If a screw is difficult to drive, check for obstructions in the hole. Do not strip the screw head by applying excessive force.

OPERATING INSTRUCTIONS

Your JUMMICO 3-Piece Table & Chair Set is designed for versatile use in various compact spaces.

- **Space-Saving Design:** The chairs are designed to tuck neatly under the table when not in use, optimizing space. The curved back of the chair aligns with the rounded edge of the table for a compact fit.
- **Built-in Wine Rack:** Utilize the integrated shelf under the tabletop for storing wine bottles, snacks, fruits, or small books.
- **Placement:** Suitable for kitchens, dining rooms, breakfast nooks, balconies, or apartments.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your furniture set.

- **Cleaning:** Wipe surfaces with a damp cloth. For stubborn marks, use a mild soap solution and dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Clean spills promptly to prevent staining, especially on the wood grain tabletop.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as needed to maintain stability.
- **Protection:** Avoid placing hot items directly on the tabletop. Use coasters or placemats to protect the surface.
