

Mionbel Bluetooth Bone Conduction Headphones

Mionbel Bluetooth Bone Conduction Headphones User Manual

Model: Bluetooth Bone Conduction Headphones | Brand: Mionbel

1. INTRODUCTION

Welcome to your Mionbel Bluetooth Bone Conduction Headphones. This manual provides detailed instructions for the proper use, setup, and maintenance of your new headphones. Please read this manual thoroughly before use to ensure optimal performance and longevity.

Safety Information

- Do not disassemble or modify the device.
- Keep away from extreme temperatures and humidity.
- Avoid prolonged exposure to loud volumes to prevent hearing damage.
- Ensure the charging port is dry before charging.
- The open-ear design allows you to hear your surroundings. Exercise caution in environments requiring full attention.

2. PACKAGE CONTENTS

Please verify that all items are present in your package:

- Mionbel Bluetooth Bone Conduction Headphones
- USB Charging Cable
- User Manual
- Earplugs (for optional use to enhance sound isolation in noisy environments)

3. PRODUCT OVERVIEW

Familiarize yourself with the components of your Mionbel Bluetooth Bone Conduction Headphones.

Figure 3.1: Mionbel Bluetooth Bone Conduction Headphones, showing the flexible neckband, ear hooks, control buttons (power, volume), and a pair of orange earplugs.

The image above displays the Mionbel Bluetooth Bone Conduction Headphones. Key components include the power/multi-function button, volume controls, charging port, and bone conduction transducers positioned near the cheekbones.

Open-ear Design

Bud-free listen to the music and surrounding simultaneously, so be aware of the surrounding dangers in time

Figure 3.2: A person wearing the Mionbel Bluetooth Bone Conduction Headphones while cycling, demonstrating the open-ear design that allows awareness of surroundings.

4. SETUP

4.1 Charging the Headphones

Before first use, fully charge your headphones.

1. Connect the USB charging cable to the charging port on the headphones.
2. Connect the other end of the cable to a USB power adapter (not included) or a computer's USB port.
3. The LED indicator will show charging status (e.g., red for charging, blue for fully charged).
4. Charging typically takes approximately 2 hours.

4.2 Powering On/Off

1. **To Power On:** Press and hold the Power/Multi-function button for approximately 3 seconds until the LED indicator flashes blue and a voice prompt confirms "Power On".
2. **To Power Off:** Press and hold the Power/Multi-function button for approximately 5 seconds until the LED indicator flashes red and a voice prompt confirms "Power Off".

4.3 Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the Power/Multi-function button for approximately 5-7 seconds until the LED indicator flashes red and blue alternately, indicating pairing mode. A voice prompt will say "Pairing".
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "Mionbel Bluetooth Headphones" (or similar name) from the list of devices.
5. Once connected, the LED indicator will flash blue slowly, and a voice prompt will confirm "Connected".

5. OPERATING INSTRUCTIONS

5.1 Music Playback

- **Play/Pause:** Press the Power/Multi-function button once.
- **Next Track:** Press and hold the Volume Up button for 2 seconds.
- **Previous Track:** Press and hold the Volume Down button for 2 seconds.
- **Volume Up:** Press the Volume Up button once.
- **Volume Down:** Press the Volume Down button once.

6. MAINTENANCE

6.1 Cleaning

Gently wipe the headphones with a soft, dry cloth. Do not use abrasive cleaners or immerse the headphones in water.

6.2 Storage

Store the headphones in a cool, dry place away from direct sunlight and extreme temperatures. Avoid placing heavy objects on the headphones.

360° Twisting Instantly Restores

Made of high-toughness titanium alloy,
the deformation can be restored instantly.
